### *Disclaimer*

The research for this compilation was completed in January 2009. Laws and regulations in this area are revised frequently, and readers seeking fully reliable information are cautioned to consult current statutory compilations or the appropriate administrative agency.

We emphasize that this study is for informational purposes only and is not intended to be legal advice. People with specific issues and questions are strongly encouraged to seek advice from an attorney. Due to the vast amount of material covered, this study can provide no more than an overview of the many consequences of criminal convictions, current as of January 2009. Many of the areas, such as immigration law, are highly complex and merit their own lengthy analysis. It is our hope that this study will provide sufficient information for people to know that an issue exists, and methods to find other resources through various links provided in the footnotes throughout this study.

## Introduction

This study collects and describes the collateral consequences of a criminal conviction that arise under federal statutes and regulations. A joint project of the ABA Commission on Effective Criminal Sanctions (Commission) and the Public Defender Service for the District of Columbia (PDS), it is an outgrowth of both entities' work on the effect of a criminal record on the availability of a wide range of benefits and opportunities, which in turn determines a person's likely ability to rebuild his or her life after a criminal conviction. While the study is first and foremost a compilation, and its presentation primarily descriptive rather than analytical, we hope that it will serve as a useful tool for criminal justice practitioners (including defenders, judges, and prosecutors); for persons seeking information about the legal rights and responsibilities of people who have a conviction record; and for advocates, legislators, and policymakers in determining which collateral consequences are reasonable and appropriate responses to public safety concerns, and which are not and what can or should be done to avoid or mitigate them.

### *Background*

The origins of this project can be traced to the ABA's promulgation in 2003 of a new chapter of its Criminal Justice Standards that called on each U.S. jurisdiction to collect and analyze the collateral consequences in its laws and regulations. See Standard 19-2.1 of the ABA Standards on Collateral Sanctions and Discretionary Disqualification of Convicted Persons (2003). The ABA Standards identified two types of collateral consequences: "collateral sanctions," defined as penalties imposed automatically upon conviction, and "discretionary disqualifications," defined as penalties that are authorized but not required to be imposed. This distinction between automatic and discretionary collateral consequences was carried forward into a uniform law presently under consideration by the National Conference of Commissioners on Uniform State Laws, and more recently into Section 510 of the Court Security Act, both of which also call for a comprehensive inventory and study of collateral consequences.

In recent years, a number of state-specific studies of collateral consequences have been prepared, including an exemplary analysis of the collateral consequences affecting people with convictions in the District of Columbia published in 2004 by PDS. However, these studies vary widely in format and methodology, and no single approach to the enterprise has emerged as preferable to others. It therefore seemed appropriate for the ABA and PDS together to attempt, through a comprehensive survey of federal laws and regulations, to provide technical guidance for state jurisdictions undertaking studies of their own laws and rules, while at the same time illuminating an important area of the law affecting people with criminal convictions nationwide, which has not been addressed for some time.<sup>1</sup> That the National Institute of Justice has been directed by the Court Security Act

---

<sup>1</sup> The Office of the Pardon Attorney in the U.S. Department of Justice published a partial inventory of federal collateral consequences in 2000, but the OPA study has not been updated since that time and therefore does not contain any of the significant body of collateral consequences that followed 9/11.

to produce a survey of collateral consequences for each U.S. jurisdiction made this project seem particularly timely.

Work on this federal study has been supported by a generous grant from the Open Society Institute. We were fortunate that Kelly Salzmann, the author of the PDS study of collateral consequences affecting people with convictions in the District of Columbia, was willing to take the laboring oar in preparing it. Through her experience as PDS' Community Reentry Program Coordinator, Kelly understood the importance of such a study for defenders in advising clients. She also understood the importance of making the study user-friendly for all criminal law practitioners, for judges and legislators, and for policy-makers studying the impact on recidivism rates of what has been described as a web of invisible punishment. Working for only a few hours a week in spare time from her day job, Kelly completed an extraordinary amount of work in a relatively brief period of time. She worked essentially alone, with advice from an IT expert and in occasional consultation with me.

### *Limitations of the Study*

The study describes the collateral consequences of a felony conviction arising under federal statutes and regulations. These consequences apply to felony convictions (or their equivalent) obtained in state, federal, and territorial courts, and in courts martial. Except where otherwise noted, they generally do not apply to misdemeanors, juvenile adjudications, or convictions in foreign jurisdictions or tribal courts. The issue of effective dates of particular disabilities, including retroactivity, is not addressed in any detail. While pains have been taken to identify all collateral consequences, there are certainly a few that have been missed.

The study also does not give a complete picture of the provisions for relief from federal collateral consequences. While federal consequences apply generally to all criminal convictions, state or federal, the provisions for avoiding or mitigating these consequences may differ depending upon the jurisdiction of conviction or the location of the convicted person's residence. In some cases, federal law incorporates state law relief mechanisms. In others, people convicted of state offenses have no recourse. People convicted under federal law generally cannot take advantage of state relief mechanisms, and thus may have no remedy short of a presidential pardon.<sup>2</sup>

---

<sup>2</sup> An example is the prohibition against possessing firearms in 18 U.S.C. §§ 921(a)(3) and 922 (g)(1). State offenders may obtain relief through state law relief mechanisms such as pardon, expungement, set-aside, or restoration of civil rights. See 18 U.S. § 921(a)(20). Federal offenders may obtain relief only through a federal restoration mechanism. See *Beecham v. United States*, 511 U.S. 368 (1994). Because the statutory process for administrative restoration has not been funded since 1991, *Bean v. United States*, 537 U.S. 71 (2002), only a presidential pardon restores firearms rights for federal offenders. For additional information about relief provisions under federal law, readers are referred to Margaret Colgate Love, *Relief from the Collateral Consequences of a Criminal Conviction, A State by State Resource Guide* (Hein 2006), updates at <http://www.sentencingproject.org/PublicationDetails.aspx?PublicationID=486>.

In addition, the study can only suggest how the laws and regulations catalogued are administered and enforced. Our experience is that in practice most federal collateral consequences are administered more strictly than the text at issue requires. This is particularly true for federal consequences that are enforced by state and local jurisdictions, such as licensing requirements for those working with vulnerable populations, and requirements for admission to public housing. At the same time, there are some federal statutes and regulations that are reportedly administered with exemplary fairness and efficiency, notably those areas of the law affecting the front lines of national security, such as access to secure areas of ports and other transportation hubs, defense contracting, and membership in the armed forces.

Finally, the study necessarily gives an incomplete picture of the whole range of consequences that stem from adverse contact with the criminal justice system. As a collection of federal laws and regulations, it does not include the many collateral consequences contained in state laws and regulations, or in state-controlled federal benefit programs such as welfare, food stamps, and public housing. Moreover, it does not include court-imposed conditions of probation and parole that may have a collateral effect on travel, employment, and other family matters, or civil forfeiture provisions that are often triggered by an arrest. Less tangible consequences of conviction not discussed in this study are the public humiliation and ostracism that may result from the fact of the conviction alone, particularly where sex offender and other violent offender registration requirements apply. People with criminal convictions who served time in prison may have significant difficulty due to gaps in work experience on a resume in a job application. More and more frequently potential employers and landlords are requesting and using background check information, including arrest and conviction records in their decisions regarding jobs and leases independent of statutory requirements. None of these consequences are described in this study, but all must be accounted for in considering the public safety implications of a failed reentry experience.

## **A Note from the Public Defender Service for the District of Columbia**

The Public Defender Service for the District of Columbia is pleased to partner with the American Bar Association's Commission on Effective Criminal Sanctions on this important study, "Internal Exile: Collateral Consequences of a Criminal Conviction in Federal Laws and Regulations." As public defenders, we witness firsthand the complicated and often lasting impacts of such collateral consequences upon the lives of our clients. Each year, literally hundreds of individuals come through our doors seeking legal advice concerning their eligibility for expungement because their criminal records continue to serve as a barrier to employment, housing, and other services that are essential to their stability in the community. Almost without regard to a person's attempts to rebuild his or her life after a conviction, the residual impact of a criminal record continues to limit future opportunities in far too many cases. We hope that the study educates the criminal justice community and other interested parties about the burdensome effect of federal collateral consequences upon the lives of fellow citizens across the nation and that it encourages a new dialogue among policy makers regarding viable ways in which to eliminate barriers to reentry.

## **A Note from the Principal Author**

This study was done working a few hours per week over a six-month period. Much of the research was done using electronic legal research and the internet. I also benefited greatly from the ability to talk with practitioners, in particular Laura Moskowitz of the National Employment Law Project, who generously shared research she had collected, as well as April Frazier, the current Community Reentry Program Coordinator for the Public Defender Service for the District of Columbia (PDS). I am an experienced attorney with a background in civil legal services and public defense. Despite my experience, education, resources, and the assistance given to me, I felt extremely overwhelmed by this project. The consequences outlined are spread throughout a massive amount of statutory and regulatory language that is often confusing. I have made every attempt to catalogue each consequence yet despite my best efforts, I have no doubt that there are consequences that I missed.

There are hyperlinks throughout the text that allow the reader to navigate back to the descriptions in the first section. The table of contents that precedes this introduction also contains active links allowing the reader to immediately navigate to any section or statute of interest.

The study is organized into four sections. The first outlines the varying consequences that relate to civic participation and community service, employment and licensing, family matters, and other federal benefit programs. Where enumerated in the statutory or regulatory language, it includes the definition of a conviction, appeal or waiver processes, and factors to be considered. Statutory and regulatory references are hyperlinks that allow the reader to navigate to the language referenced. Within the footnotes are active links to other studies, websites, or policy statements that provide additional information regarding the particular subject.

The second section is an Appendix with an inventory of the collateral consequences that affect people with a felony drug conviction, including some that are offense-specific. The third section, Appendix 2, consists of a chart sorting the inventoried collateral consequences into collateral sanctions and discretionary disqualifications. The fourth section, Appendix 3, contains the relevant statutory language, which can be accessed through hyperlinks in the first section.

Throughout my work on this project I was constantly reminded that as daunting as the task was for me, the sense of confusion must be exponentially increased for a person who has come through the often dehumanizing criminal justice system and who may be facing unemployment, homelessness, hunger, addiction, family estrangement, and/or dealing with physical and mental health impairments, including those resulting from a period of incarceration.

When I became too overwhelmed by the vast amount of information and the thought of the burden this places on people who are already far too often on the margins of our society, I relied on Margaret Colgate Love, practicing attorney, and James D. Berry, Jr. of

PDS for support. It is my hope that in some small way this study allows people with criminal convictions to feel the same sense of support through access to this information and gives advocates resources to aid these individuals and policy makers a fuller picture of the impact of the decisions they make.

## I. Civic Participation<sup>3</sup>

### *Voting*

The qualifications of voters, with a few exceptions, are determined by individual states.

The United States Constitution, aside from prohibiting disenfranchisement on grounds such as age, gender, and race, U.S. Const. amend XV, XIX, XXVI, provides that qualifications for voting in federal elections are determined by state law. U.S. Const. art. I, § 2, cl. 1; art. I, § 4; art. II, § 1, cl. 2; amend. XVII. (For the District of Columbia, see U.S. Const. amend. XXIII; D.C. Code Ann. § 1-1301.) ...<sup>4</sup>

The power of the states to deny the right to vote because of conviction of a crime is expressly recognized in the Fourteenth Amendment. U.S. Const. amend. XIV, § 2. *See generally Richardson v. Ramirez*, 418 U.S. 24 (1974); *Johnson v. Governor of Florida*, 405 F.3d 1214 (11<sup>th</sup> Cir., 2005).<sup>5</sup>

### *Federal Jury Service*

Any person who has been convicted of a felony (crime punishable by imprisonment for more than one year) is unable to serve on a federal grand or petit jury. The right to serve on a federal jury is restored if the individual's "civil rights have . . . been restored." [28 U.S.C. 1865\(b\)\(5\)](#).

This provision has generally been interpreted by federal courts and the Administrative Office of the United States Courts to require an affirmative act (such as a pardon) by the state (or by the President for a federal conviction) before the right to serve on a federal jury will be reinstated. Thus, the automatic restoration of civil rights that occurs in many states upon completion of the imposed sentence will not operate to restore the right to serve on a federal jury. *See, e.g., United States v. Hefner*, 842 F.2d 731,732 (4<sup>th</sup> Cir. 1988) (relying on the legislative history of 28 U.S.C. 1865 to hold that "some affirmative act recognized in law must first take place to restore one's civil rights to meet the eligibility requirements of section 1865(b)(5)").<sup>6</sup>

### *Federal Government Office (District of Columbia Where Noted)*

The United States Constitution does not prohibit people with convictions from holding elected federal office. *See* U.S. Const. art. I, §§ 2, 3; art. II, §1; art. VI.<sup>7</sup> Various federal statutes, as listed below, provide that a conviction may result in the loss of or ineligibility for appointed office. Aside from such specific statutory disqualifications, however, a felony conviction does not disqualify a person from federal employment, but is a factor in determining suitability for it.<sup>8</sup>

#### Permanent Bar:

A person who has been convicted of treason is incapable of holding any office under the United States. [18 U.S.C. 2381](#). ## **II. Community and Military Service**

### ***Civilian Marksmanship Program***

A person who has been convicted of a felony or a firearms offense may not participate in any activity sponsored or supported by the Civilian Marksmanship Program. [36 U.S.C. 40723](#). Any firearms sold by the Civilian Marksmanship Program may not be sold to a gun club member with a felony conviction or a firearms offense. [36 U.S.C. 40732](#).<sup>9</sup>

---

<sup>9</sup> The congressionally created Civilian Marksmanship Program (CMP) promotes firearms safety training and rifle practice for all qualified U.S. citizens with special emphasis on youth. The CMP operates through a network of affiliated shooting clubs and associations that covers every state in the U.S. The clubs and

### ***Enlistment in the Military***

No person who has a felony conviction may enlist in any branch of the military. [10 U.S.C. 504](#). The Secretary of Defense may authorize exceptions in meritorious cases.<sup>10</sup> Department of Defense internal policy also bars people with misdemeanor convictions, including misdemeanor domestic violence, from enlisting unless a waiver is granted. This bar, however, is not statutory.<sup>11</sup>

### ***Court Appointed Special Advocate Program***

A person with a conviction of a felony or misdemeanor involving a sex offense, violent act, child abuse or neglect, or related acts that would pose risks to children or to the court-appointed special advocate program's credibility is barred from serving as a volunteer. [42 U.S.C. 13013](#). A review of the national CASA website reveals no guidance as to how background checks are to be performed.<sup>12</sup>

### ***Mentoring Children of Prisoners***

Federal grants for programs for the mentoring of children of prisoners require that prospective programs perform background checks of potential mentors. A program must prohibit a person from being a mentor only if a conviction would prevent him or her from being a foster or adoptive parent under [42 U.S.C. 671](#). [42 U.S.C. 629j](#).<sup>13</sup> No guidance is given as to how other criminal history information is to be considered.

### ***Sponsor Programs for Foreign Exchange Programs***

Any person working for a Department of State-sponsored foreign exchange student sponsor program and who has direct personal contact with exchange students must be vetted through a criminal background check. [22 C.F.R. 62.25](#). No guidance is given for how information gleaned through the background check is to be considered.

associations offer firearms safety training and marksmanship courses as well as the opportunity for continued practice and competition. The original purpose of the organization was to provide civilians an opportunity to learn and practice marksmanship skills so they would be skilled marksmen if later called on to serve the U.S. military. Over the years the emphasis of the program shifted to focus on youth development through marksmanship. See <http://www.odcmp.com/>.

### *Programs Funded by the Corporation for National and Community Service*

Any person who is applying for, or serving in, a position for which an individual receives a Corporation grant-funded living allowance, stipend, education award, salary, or other remuneration, and which involves recurring access to children, persons age 60 and older, or individuals with disabilities, must undergo a “suitable” criminal history check. [45 C.F.R. 2522.205](#) and [45 C.F.R. 2540.200](#). Persons who are required to register as a sex offender are barred from participation. [45 C.F.R. 2522.206](#) and [45 C.F.R. 2540.201](#). The person is entitled to a reasonable opportunity to review and challenge the factual accuracy of a result before the Corporation takes action to exclude the individual from the position. [45 C.F.R. 2540.204](#). Covered programs include those through the Senior Corps, AmeriCorps, AmeriCorps State and National (including grants for Indian tribes and U.S. territories, AmeriCorps VISTA, AmeriCorps National Civilian Community Corps, Learn and Serve America and other special initiatives.<sup>14</sup> The Corporation website provides that in criminal background checks, violent crimes and sexual offenses will affect a person’s application while minor offenses will not.<sup>15</sup>

A current participant in an AmeriCorps program will be released for cause if he or she is convicted of a felony or the sale or distribution of a controlled substance during the term of service. [45 C.F.R. 2522.230](#). A person’s term of service will be suspended if that person faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance or is convicted of possession of a controlled substance. [45 C.F.R. 2522.230](#). A program may reinstate the person whose service was suspended if the individual is found not guilty or if the charge is dismissed. A program may also reinstate an individual whose service was suspended due to a conviction related to the possession of a controlled substance only if the person demonstrates that he or she has enrolled in a drug rehabilitation program if it was the first offense or successful completion of a drug rehabilitation program if there were multiple offenses. [45 C.F.R. 2522.230](#).

### **III. Federal Employment**

Although only a few statutes impose specific consequences (in federal law enforcement and child care for federal workers, outlined below), each agency within the federal government also requires a background check for potential employees.<sup>16</sup> Moreover, contract workers who work in federal buildings performing janitorial or culinary jobs, among others, are subject to a background check by the Federal Protective Service.<sup>17</sup> No government-wide guidance is provided regarding consideration of a criminal record in government employment, with the exceptions below.

### ***Federal Law Enforcement Officers***

Federal law enforcement officers<sup>18</sup> convicted of felonies must be removed from service without exception. [5 U.S.C. 7371](#) and [5 U.S.C. 8331\(20\)](#). The only appeal is for whether the person is, in fact, a law enforcement officer, whether the conviction was a felony, and whether the conviction was overturned. The statutes do not specify whether a past conviction may be grounds for refusal to hire or reinstate.

### ***Child Care for Federal Workers***

“Each agency of the Federal Government, and every facility operated by the Federal Government (or operated under contract with the Federal Government), that hires (or contracts for hire) individuals involved with the provision to children under the age of 18 of child care services shall assure that all existing and newly-hired employees undergo a criminal history background check.” [40 U.S.C. 590](#) and [42 U.S.C. 13041](#).

Any conviction for a sex crime, an offense involving a child victim, or a drug felony, may be ground for denying employment or for dismissal of certain employees. Convictions for crimes other than sex crimes may be considered if they bear on the individual’s fitness to have responsibility for the safety and well-being of children. [42 U.S.C. 13041](#).

## **IV. Federal Licensure and Procurement**

### ***Security Regulation of the Transportation Industry***

Since 9/11, the nation’s transportation industry has adopted a new regime of criminal background checks intended to identify workers who may pose a terrorism security risk.

---

<sup>18</sup> “Law enforcement officer” means an employee, the duties of whose position are primarily the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, including an employee engaged in this activity who is transferred to a supervisory or administrative position. 5 U.S.C. 8331(20). “Law enforcement officer” also means (A) an employee, the duties of whose position (i) are primarily (I) the investigation, apprehension, or detention of individuals suspected or convicted of offenses against the criminal laws of the United States, or (II) the protection of officials of the United States against threats to personal safety; and (ii) are sufficiently rigorous that employment opportunities should be limited to young and physically vigorous individuals, as determined by the Director considering the recommendations of the employing agency. 5 U.S.C. 8401(17). For a list of agencies with federal law enforcement positions, see [http://federaljobs.net/law.htm#LAW\\_ENFORCEMENT](http://federaljobs.net/law.htm#LAW_ENFORCEMENT).

Starting with the USA Patriot Act, 49 U.S.C. § 5103a, a succession of federal laws and regulations have been enacted to screen workers employed in the air, sea and ground transportation industries. Although the laws themselves vary in specificity, by regulation and policy the Transportation Security Administration (TSA) has attempted to harmonize the different screening policies, though the Aviation and Transportation Security Act of 2001 imposes more stringent limits on airport employment than those applicable to maritime employees and commercial drivers. A criminal conviction may disqualify a person from employment or from receiving an identifying credential, as set forth below.<sup>19</sup>

### ***Airport, Air Travel, and Air Commerce***

A background check is required of any person who would work as a security screener or otherwise have unescorted access to secure areas of an airport. [49 U.S.C. 44935](#), [44936](#). See also [49 U.S.C. 114](#). There is a long list of crimes for which a conviction in the previous 10 years would bar employment, and there is no provision for waiver. See [49 U.S.C. 44936\(b\)\(B\)](#) and [49 C.F.R. 1542.209\(d\)](#). The person has the ability to dispute the information in the background check and correct any errors.

An airman certificate issued under 49 U.S.C. 44703 may be amended, modified, suspended or revoked for a conviction of airborne hunting ([49 U.S.C. 44709](#)) and shall be revoked if the person is convicted in a state or federal court of a felony related to a controlled substance if an aircraft or service as an airman was related to the commission of the offense or the person knowingly engaged in such an activity. [49 U.S.C. 44710](#). The decision to revoke or otherwise modify a certificate can be appealed to the National Transportation Safety Board and an acquittal bars revocation. Any conviction for the growing, processing, manufacture, sale, disposition, possession, transportation, or importation of drugs is grounds for a denial of an application for any certificate, rating, or authorization for 1 year after the date of the conviction or suspension or revocation of any certificate, rating, or authorization. [14 C.F.R. 61.15](#). Two convictions for the operation of a motor vehicle while intoxicated, impaired or under the influence of alcohol or drugs within three years of each other are grounds for denial of an application for up to one year after the conviction or suspension or revocation of a certificate, rating, or authorization.

---

<sup>19</sup> For a review of the effect of criminal convictions on airport and air carrier workers, as interpreted by the Transportation Security Administration, including what constitutes a conviction and the effect of expungement and pardon, see Legal Guidance on Criminal History Checks, Transportation Security Administration, [http://www.deferredadjudication.org/79th/legal\\_help/TSA\\_CHRC\\_Legal\\_Guidance.doc](http://www.deferredadjudication.org/79th/legal_help/TSA_CHRC_Legal_Guidance.doc). The TSA takes the position that a “conviction” does not include expunged and pardoned offenses, and convictions that have been set aside after successful completion of probation. To qualify under this provision, an expungement must “nullify” the conviction, which means “the conviction is removed from the individual's criminal history record and there are no legal disabilities or restrictions associated with the expunged conviction, other than the fact that the conviction may be used for sentencing purposes for subsequent convictions.” 49 C.F.R. §1570.3

### ***Transportation Worker Identification Credential – Port Security***

All port workers must have a Transportation Worker Identification Credential (TWIC). Affected workers are those requiring unescorted access to secure areas of maritime facilities and vessels regulated by the Maritime Transportation Security Act of 2002 (Public Law 107-295) including merchant mariners, port truck drivers, longshoremen, administrators, contractors, and rail workers. Felony and misdemeanor convictions will bar potential TWIC recipients if they fall into one of two categories – “permanent disqualifying criminal offenses” and “interim disqualifying criminal offenses.” [46 U.S.C. 70105](#), [49 C.F.R. 1515.7](#), and [49 C.F.R. 1572.103](#).<sup>20</sup> Permanent disqualifying criminal offenses are very serious offenses including the commission of or conspiracy to commit espionage, sedition, treason, terrorism, murder, crimes involving explosive devices. [46 U.S.C. 70105\(c\)\(1\)\(A\)](#). There is a long list of interim disqualifying offenses which bar a person for either seven years from the date of conviction or for five years from release from incarceration. [46 U.S.C. 70105\(c\)\(1\)\(B\)](#). All potentially disqualifying offenses are eligible for a waiver, except espionage, sedition, treason, or terrorism. [49 C.F.R. 1515.7](#). A person may also appeal to correct misinformation which was included in the background check.

A “conviction” is defined as

any plea of guilty or nolo contendere, or any finding of guilt, except when the finding of guilt is subsequently overturned on appeal, pardoned, or expunged. For purposes of this subchapter, a conviction is expunged when the conviction is removed from the individual's criminal history record and there are no legal disabilities or restrictions associated with the expunged conviction, other than the fact that the conviction may be used for sentencing purposes for subsequent convictions. In addition, where an individual is allowed to withdraw an original plea of guilty or nolo contendere and enter a plea of not guilty and the case is subsequently dismissed, the individual is no longer considered to have a conviction for purposes of this subchapter. [49 C.F.R. 1570.3](#).<sup>21</sup>

### ***Commercial Motor Vehicle Operator License***

Certain crimes related to the operation of a commercial motor vehicle, as well as the operation of a non-commercial motor vehicle, cause a mandatory license suspension. Generally, first-time offenses cause a one year bar and second and multiple charge offenses will lead to a lifetime bar. There is a lifetime bar for a felony conviction of the use of a commercial motor vehicle during the manufacture, dispensing or distributing of controlled substances or possession with the intent to manufacture, dispense, or distribute

### ***Hazardous Material Endorsement***

In order to be eligible for a hazardous materials endorsement to a commercial motor vehicle operator license, a person must first undergo a background check in accordance with the requirements of the [TWIC](#), [49 U.S.C. 5103a](#), [49 C.F.R. 1515.7](#), and [49 C.F.R. 1572.5](#). Drivers requiring hazardous materials endorsements range from municipal trash collectors carrying items like bleach and batteries, to interstate truckers carrying nuclear and biological waste.

### ***Locomotive Operator License***

A conviction within the past five years for operating under the influence of alcohol or another substance or a conviction arising out of a fatal vehicle accident, reckless driving, or racing, must be considered in the application for a license for any operator of a locomotive. The prohibition may be waived if the individual successfully completes a rehabilitation program. A person who has been denied a license is entitled to a hearing. [49 U.S.C. 20135](#).

Under [49 C.F.R. 240.115](#), a current licensee who, within the previous 36 months has had a conviction for, or completed state action to cancel, revoke, suspend, or deny a motor vehicle drivers license for, operating a motor vehicle while under the influence of or impaired by alcohol or a controlled substance; or a conviction for, or completed state action to cancel, revoke, suspend, or deny a motor vehicle driver's license for, refusal to undergo such testing as is required by State law when a law enforcement official seeks to determine whether a person is operating a vehicle while under the influence of alcohol or a controlled substance, must undergo an Employee Assistance Program evaluation for a determination whether an active substance abuse problem exists. If so, the person's certificate will be suspended and not be eligible for reinstatement of the certificate unless and until the person has successfully completed any program of counseling or treatment determined to be necessary by the EAP Counselor prior to return to service, and provided a clean urine sample. Follow-up may be required for up to 60 months. [49 C.F.R. 240.119](#).

### ***Merchant Mariners***

In accordance with regulations, criminal convictions are considered in applications for Merchant Mariner Documents. Moreover, a merchant mariner's license, certificate or document may be suspended or revoked for certain convictions. [46 U.S.C. 7703](#). In particular, a merchant mariner's document may be denied if, within the 10-year period before applying for the license, certificate, or document, the person has been convicted of

violating a state or federal dangerous drug law. [46 U.S.C. 7503](#). Various assessment periods within a range of years are set out for certain types of convictions based on a set of tables set out in the regulations. [46 CFR 12.02-4](#). Prior to the minimum number of years in the assessment period, an application will be denied unless a person proves suitability. Within the assessment period, the conviction will be considered and application will be granted unless there are offsetting factors. “Offsetting factors include such factors as multiple convictions, failure to comply with court orders (e.g., child support orders), previous failures at rehabilitation or reform, inability to maintain steady employment, or any connection between the crime and the safe operation of a vessel.” After the assessment period the application will be granted unless the Officer in Charge, Marine Inspection considers the applicant unsuitable.

### ***Registration of Commodity Dealers and Associated Persons***

The Commodity Futures Trading Commission oversees the registration of futures commission merchants and associated persons, introducing brokers and associated persons, commodity trading advisors and associated persons, commodity pool operators and associated persons, floor brokers, and floor traders. The Commission may, with notice but without a hearing, refuse to register, to register conditionally, or to suspend or place restrictions upon the registration of or, with a hearing, revoke the registration of any person who has been convicted of certain felonies within ten years prior to the filing of the application or any time thereafter. [7 U.S.C. 12a\(2\)](#). Enumerated felonies include those related a contract of sale of a commodity for future deliver, the conduct of business of the registered party, or crimes related to theft and fraud. A person may appeal from a decision to refuse registration, condition registration, suspend, revoke or place restrictions upon registration.

The Commission may also refuse to register or to register conditionally, after opportunity for a hearing, any person who has pleaded guilty or nolo contendere to or been convicted of any other felony (including any offense that would be a felony under federal law); pleaded guilty to or been convicted of a misdemeanor including those related to a contract of sale of a commodity for future delivery, the conduct of business of the registered party, or theft and fraud. A person may appeal from a decision to refuse registration, condition registration, suspend, revoke or place restrictions upon registration. [7 U.S.C. 12a\(3\)](#).

### ***Broadcast Licensing***

In the evaluation of an applicant or licensee’s “character” for purposes of the Federal Communications Commission (FCC), the FCC will consider any conviction for a felony or serious misdemeanor conviction in appropriate or compelling cases, particularly where there is a pattern of such convictions. The FCC has a policy of recognizing that “there are mitigating factors that must be taken into consideration.” [47 C.F.R. 73.4280](#). The FCC provides an opportunity for a hearing on character issues.

### ***Farm Labor Contractors***

The Migrant and Seasonal Worker Protection Act requires any person (or business) who recruits, solicits, hires, employs, furnishes, or transports migrant or seasonal agricultural workers (“farm labor contracting activities”) to obtain a certificate of registration before engaging in farm labor contracting activities. Persons who are employed by farm labor contractors to engage in farm labor contracting activities are required to register as well. The certificate of registration may be denied if within five years the person has certain convictions, including those related to gambling or the sale of alcohol in relation to farm labor contracting activities, and certain additional specified serious felony convictions. [29 U.S.C. 1813](#). A person who is refused a new or renewed certificate can request a hearing before an administrative law judge and, ultimately, judicial review in the United States District Court where the applicant is located.<sup>23</sup>

### ***United States Grain Standards Act***

A license under the United States Grain Standards Act for a warehouseman sampler, technician, sampler, weigher, contract sampler, or inspector may be denied, suspended, or summarily revoked due to a conviction of any offense with respect the performance of functions of the licensed person. A hearing can be requested following suspension. [7 U.S.C. 85](#).

### ***Arms Export Control***

Any person (other than a government employee) who wishes to engage in the business of manufacturing, exporting or importing any defense article or service must register with the United States government. [22 U.S.C. 2778](#). No export license will be issued to a person who is under indictment for or has been convicted of certain enumerated crimes. [22 U.S.C. 2778\(g\)](#). The President and Secretary of the Treasury may make an exception on a case-by-case basis after a “thorough review of the circumstances surrounding the conviction.”

### ***Atomic Energy – Nuclear Regulatory Commission***

[42 U.S.C. 2169](#).

### ***Customs Broker License***

In an application for a custom broker’s license, a person may be required to show good moral character. A current license may be suspended or revoked if the person has been convicted of certain felonies and misdemeanors at any time after the filing of the application for a license. A felony or misdemeanor conviction will be considered if it involved the importation or exportation of merchandise, arose out of the conduct of customs business, or involved larceny, theft, robbery, extortion, forgery, counterfeiting, fraudulent concealment, embezzlement, fraudulent conversion, or misappropriation of funds. [19 U.S.C. 1641](#). Moreover, a license may be revoked or suspended if a licensee has knowingly employed, or continues to employ, a person who has been convicted of a felony without prior approval. Any revocation or suspension action must be commenced within five years of the alleged violation and a hearing and subsequent court appeal is an available remedy.

### ***Registration of Brokers and Dealers with the Securities and Exchange Commission (SEC)***

The SEC shall censure, place limitations on the activities, functions or operations of, suspend for a period not exceeding twelve months, or revoke the registration of any broker or dealer if the SEC makes certain findings, following notice and opportunity for a hearing. [15 U.S.C. 78o](#). The required findings are that the action be in the public interest and that the broker, dealer or any associated person has been convicted of a felony or misdemeanor within the ten years preceding the filing of the application or any time thereafter of a crime involving the sale of a security, honesty, arising out of the conduct of the business of a broker, dealer, municipal securities dealer, investment adviser, bank, insurance company, government securities broker, government securities dealer, fiduciary, transfer agent, or involving a crime of fraud or theft. Judicial review is available of the agency’s determination.

### ***Registration of Investment Advisers***

The SEC shall censure, place limitations on the activities, functions or operations of, suspend for a period not exceeding twelve months, or revoke the registration of any investment adviser if the SEC makes certain findings, following notice and opportunity for a hearing. The required findings are that the action be in the public interest (as defined in [15 U.S.C. 80b-3\(h\)\(3\)](#)) and that the investment adviser or any associated person has been convicted within the ten years preceding the filing of the application or

any time thereafter of a crime involving the sale of a security; honesty; arising out of the conduct of the business of a broker, dealer, municipal securities dealer, investment adviser, bank, insurance company, government securities broker, government securities dealer, fiduciary, transfer agent; involving fraud or theft; or any other felony. [15 U.S.C. 80a-9](#). An ineligible person may apply for an exemption. The Commission shall by order grant such application, either unconditionally or on an appropriate temporary or other conditional basis, if it is established that the prohibitions as applied to such person, are unduly or disproportionately severe or that the conduct of such person has been such as not to make it against the public interest or protection of investors to grant such application.

This also includes practitioners who wish to conduct research with controlled substances.

Any person who has a felony conviction or misdemeanor domestic violence conviction is prohibited from working for a private prisoner transport company. [42 U.S.C. 13726](#) and [28 C.F.R. 97.11](#). There is no provision for exception or waiver.

### ***Employees of state departments of motor vehicles – REAL ID***

As a part of the REAL ID program, participating states must ensure that covered employees (involved in the manufacture or production of REAL ID driver's licenses and identification cards, or who have the ability to affect the identity information that appears on the driver's license or identification card, or current employees who will be assigned to such positions) are subjected to a background check that identifies permanent and

“interim” disqualifying offenses. [6 C.F.R. 37.45](#) and [49 C.F.R. 1572.103](#). If designated as “interim,” the offense is disqualifying if committed within the last seven years or if the individual was released from incarceration within the last five years. The states have the authority to establish procedures for waivers for arrests, but no final disposition has been reached. REAL ID went into effect May 11, 2008; however, states have been offered extensions for compliance.<sup>24</sup> Five states have rejected REAL ID - Maine, South Carolina, Montana, Oklahoma, and New Hampshire.<sup>25</sup>

### ***Leadership in Labor Organizations, Consultant or Adviser to an Employee Benefit Program***

A person who has been convicted of certain specified serious offenses, as well as conspiracy to commit such offenses, including offenses relating to a labor organization or employee benefit plan, is disqualified from serving in a wide range of capacities relating to a labor organization or an employee benefits plan, including leadership, consulting, advising, or any role that requires decisionmaking or has the potential for a share in profits. The bar lasts for 13 years after the conviction, or until the end of a period of imprisonment, unless the sentencing court on motion of the convicted person sets a lesser period of at least three years after such conviction or after the end of such imprisonment. [29 U.S.C. 504](#), [29 U.S.C. 1111](#).

The bar may also be removed if the person’s civil rights, “having been revoked as a result of such conviction, have been fully restored.” In addition, for offenses committed on or after November 1, 1987, the period of disqualification may be shortened by action of the sentencing court if a federal offense, or the federal district court where the offense was committed if a state offense, in accordance with policy statements of the U.S. Sentencing Commission.<sup>26</sup> The court must determine that the person’s service in a prohibited capacity would not be contrary to the purposes of the law under which the disqualification is imposed. *See* U.S.S.G. 5J1.1 (policy statement implementing §§ 504, 1111).

### ***Banking Institutions***

Section 19 of the Federal Deposit Insurance Act prohibits, for a minimum period of ten years, any person who has been convicted (felony or misdemeanor) of any criminal offense involving dishonesty or a breach of trust or money laundering, or has agreed to enter into a pretrial diversion or similar program in connection with a prosecution for such offense from owning, controlling or working in an insured depository institution, or

<sup>26</sup> For offenses committed before November 1, 1987, the person must apply to the United States Parole Commission for a Certificate of Exemption from the prohibition. The applicant must submit forms, a full application, supportive affidavits and character endorsements. The applicant has a right to a hearing before an administrative law judge. *See* 28 C.F.R. Part 4.

bank, absent court approval. [12 U.S.C. 1829](#).<sup>27</sup> After the 10-year period has elapsed, a person previously barred may be employed with prior written consent of the FDIC. The application for approval must be filed by an institution, not an individual seeking employment, unless the FDIC waives that requirement. There must be “substantial good cause” for granting an individual waiver.<sup>28</sup>

In considering the application for approval and in determining the “degree of risk” the FDIC will consider:

- (1) The conviction or program entry and the specific nature and circumstances of the covered offense;
- (2) Evidence of rehabilitation including the person’s reputation since the conviction or program entry, the person’s age at the time of conviction or program entry, and the time that has elapsed since the conviction or program entry;
- (3) The position to be held or the level of participation by the person at an insured institution;
- (4) The amount of influence and control the person will be able to exercise over the management or affairs of an insured institution;
- (5) The ability of management of the insured institution to supervise and control the person’s activities;
- (6) The degree of ownership the person will have of the insured institution
- (7) The applicability of the insured institution’s fidelity bond coverage to the person;
- (8) The opinion or position of the primary Federal and/or state regulator;
- and
- (9) Any additional factors in the specific case that appear relevant.

FDIC policy guidance also notes that “some applications can be approved without an extensive review because the person will not be in a position to constitute any substantial risk to the safety and soundness of the insured institution. Persons who will occupy clerical, maintenance, service or purely administrative positions, generally fall into this category.”<sup>29</sup>

The FDIC policy guidance identifies certain *de minimus* offenses for which automatic approval is given:

---

<sup>27</sup> The sentencing court may grant an exception, upon motion by the Corporation, during the 10-year period if the exception is in the “interest of justice.” 12 U.S.C.A. 1829.

<sup>28</sup> See FDIC Statement of Policy for Section 19 of the FDI Act (FDIC Statement), 12-31-98, p. 5155. <http://www.fdic.gov/regulations/laws/rules/5000-1300.html>. <sup>29</sup> FDIC Statement, *supra* note 23.

Approval is automatically granted and an application will not be required where the covered offense is considered *de minimis*, because it meets all of the following criteria:

- There is only one conviction or program entry of record for a covered offense;
- The offense was punishable by imprisonment for a term of less than one year and/or a fine of less than \$1000, and the individual did not serve time in jail;
- The conviction or program was entered at least five years prior to the date an application would otherwise be required; and
- The offense did not involve an insured depository institution or insured credit union.

Any person who meets the foregoing criteria shall be covered by a fidelity bond to the same extent as others in similar positions, and shall disclose the presence of the conviction or program entry to all insured institutions in the affairs of which he or she intends to participate.<sup>30</sup>

### ***Business of Insurance***

A person who has been convicted of a crime involving dishonesty or breach of trust may not engage in the business of insurance, defined as the writing of insurance or the reinsuring of risks by an insurer, including all acts necessary or incidental to such writing or reinsuring and the activities of persons who act as, or are, officers, directors, agents, or employees of insurers or who are other persons authorized to act on behalf of such persons. [18 U.S.C. 1033](#). A person who is otherwise barred may receive written consent from the relevant insurance regulatory official in order to again engage in the business of insurance.<sup>31</sup>

### ***Mortgage Loan Originator License***

In order to qualify for licensing and registration as a State-licensed loan originator, a person may not have been convicted of, or pled guilty or nolo contendere to, a felony in a domestic, foreign, or military court in the 7-year period preceding the date of the application for licensing and registration; or at any time preceding such date of application, if the felony involved an act of fraud, dishonesty, or a breach of trust, or money laundering. ### ***Elementary and Secondary School Employees***

The Safe and Drug-Free Schools and Communities Act, Title IV, Part A of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (Public Law 107-110) authorizes funding for a nationwide background check for all current and potential local educational agency employees. The purpose of the background check is to determine whether the employee or prospective employee has been convicted of a crime that bears upon the employee's fitness to be responsible for the safety or well-being of children; to serve in the particular capacity in which the employee or prospective employee is or will be employed; or to otherwise be employed by the local educational agency. [20 U.S.C. 7115](#). See also the Schools Safe Act, 42 U.S.C. 16962, which authorizes states to conduct fingerprint-based checks of the national crime information databases.

### ***Care Providers for Vulnerable Populations (Children, the Elderly and Individuals With Disabilities)***

Child care workers other than those operating under contract with the Federal Government may be required to undergo a background check by individual states. Congress has authorized state agencies access to a nationwide background check for the purposes of determining whether a provider has been convicted of a crime (felony or misdemeanor) that bears upon the provider's fitness to have responsibility for the safety and well-being of children, the elderly, or individuals with disabilities. [42 U.S.C. 5119a](#). The person has the ability to contest the accuracy of the background check. See also note to 28 U.S.C. 534 which gives nursing care facilities and home health care agencies access to background checks on prospective employees as well.

A pilot program was created in April 2003 allowing the Boys and Girls Clubs of America, the MENTOR/National Mentoring Partnership, the National Council of Youth Sports; and any nonprofit organization that provides care, to perform fingerprint background checks through the FBI on potential volunteers. [42 U.S.C. 5119a \(note\)](#). If the organizations determine, based on the information in the check, that the person is not fit for volunteer work, the person has the right to contest the accuracy of the information.

### ***Care for Native American Children***

The Secretary of the Interior and the Secretary of Health and Human Services must compile a list of all positions within their respective departments involving regular contact with, or control over, Indian children; conduct an investigation of the character of each individual who is employed, or is being considered for employment, in such a position; and prescribe by regulation minimum standards of character that each of such individuals must meet to be appointed to such positions. Minimum standards set by law are that no person may work for a state agency with regular contact with, or control over, Native American children if that person has been "found guilty of, or entered a plea of nolo contendere or guilty to, any felonious offense, or any two or more misdemeanor offenses, under Federal, State, or tribal law involving crimes of violence; sexual assault,

molestation, exploitation, contact or prostitution; crimes against persons; or offenses committed against children.” [25 U.S.C. 3207\(b\)](#).

### ***Community Supported Living Arrangement Services***

A provider of community supported living arrangement services under grants to states for medical assistance programs may not hire individuals who have been convicted of child or client abuse, neglect, or mistreatment or of a felony involving physical harm to an individual. [42 U.S.C. 1396u](#) and 42 CFR 441.404.

The term “community supported living arrangements services” means one or more of the following services meeting the requirements of subsection (h) provided in a State eligible to provide services under this section (as defined in subsection (d)) to assist a developmentally disabled individual (as defined in subsection (b)) in activities of daily living necessary to permit such individual to live in the individual’s own home, apartment, family home, or rental unit furnished in a community supported living arrangement setting:

- (1) Personal assistance.
- (2) Training and habilitation services (necessary to assist the individual in achieving increased integration, independence and productivity).
- (3) 24-hour emergency assistance (as defined by the Secretary).
- (4) Assistive technology.
- (5) Adaptive equipment.
- (6) Other services (as approved by the Secretary, except those services described in subsection (g)).
- (7) Support services necessary to aid an individual to participate in community activities.<sup>32</sup>

### ***Hospice Care***

All hospices must obtain a criminal background check on all hospice employees who have direct patient contact or access to patient records. Hospice contracts must require that all contracted entities obtain criminal background checks on contracted employees who have direct patient contact or access to patient records. The federal regulation provides that criminal background checks must be obtained in accordance with the

requirements. In the absence of state requirements, criminal background checks must be obtained within three months of the date of employment for all states that the individual has lived or worked in the past three years. [42 C.F.R. 418.144](#). No guidance is given as to how criminal history information is to be considered.

### ***Private Security***

The note to 28 U.S.C. 534 allows authorized private security employers to have access to FBI criminal background information. The information provided is guided by state standards. If no standards are available then the report will include any conviction of a felony, a “lesser offense” involving dishonesty or false statement if occurring within the previous ten years, a conviction of a “lesser offense” involving the use or attempted use of physical force against the person of another if occurring within the previous ten years, or a felony charge during the previous 365 days for which there has been no resolution. [28 C.F.R. 105.23](#). The person has the right to contest the information in the report. [28 C.F.R. 105.24](#).

### ***Court-imposed Occupational Restrictions***

In addition to collateral sanctions and disqualifications, federal courts are authorized to impose certain occupational restrictions as a condition of probation or supervised release by 18 U.S.C. 3563(b)(5), 3583(d) and the United States Sentencing Guidelines. Specifically, the court may require a defendant to refrain from engaging in the occupation, or to engage in it only to a stated degree or under stated circumstances. Restrictions are authorized when a “reasonably direct relationship” exists between the defendant’s occupation and the offense conduct, 18 U.S.C. 3563(b)(5), U.S.S.G. 5F1.5(a)(1); and the conditions are “reasonably necessary to protect the public because there is reason to believe that, absent such restriction, the defendant will continue to engage in unlawful conduct similar to that for which the defendant was convicted.” U.S.S.G. 5F1.5(a)(2). If such an occupational restriction is imposed, it must be imposed “for the minimum time and to the minimum extent necessary to protect the public.” U.S.S.G. 5F1.5(b).

## **VI. Debarment from Participation in Federal Programs**

### ***Health Care Providers Participating in Federal Health Care Programs Such as Medicare and Medicaid***

Mandatory and permissive exclusions from participation in any federal health care program and designated state health care programs, based upon conviction of certain types of crimes, are set forth in [42 U.S.C. 1320a-7](#). The Secretary of the Department of Health and Human Services must exclude health care providers with a conviction of a program-related crime, a crime relating to patient abuse, a crime related to health care fraud, or a felony relating to the unlawful manufacture, distribution, prescription, or dispensing of a controlled substance. A permissive exclusion exists for a conviction relating to fraud, theft, embezzlement, breach of fiduciary responsibility or other financial

misconduct relating to health care service; a conviction related to obstruction of an investigation of the commission of a crime related to health care services; or a misdemeanor relating to the unlawful manufacture, distribution, prescription, or dispensing of a controlled substance. The mandatory and permissive exclusions also include those with ownership or management roles in healthcare who have been convicted of the above-referenced crimes or who know or should have known of the action constituting the basis for the conviction or exclusion.

For a conviction of a crime<sup>33</sup> that is a mandatory exclusion, the minimum period of exclusion is five years unless it is determined that the exclusion would impose a hardship on those entitled to benefits (patients). The exclusion may be waived if the individual or entity is the sole community physician or sole source of essential specialized services in the community. The decision regarding a waiver is not reviewable. A second conviction will result in at least a 10-year bar and any subsequent offense will result in a permanent bar. Where exclusion is permissive, it is for three years unless mitigating circumstances warrant a shorter period or aggravating circumstances demand a longer period. [42 U.S.C. 1320a-7](#). The statute requires notice and opportunity for a hearing before an administrative law judge prior to the application of an exclusion unless the health or safety of individuals receiving services warrants giving the exclusion earlier effect. Reinstatement may be granted to the excluded individual or entity if there is no basis for the continuation of the exclusion and there are reasonable assurances that the types of actions that formed the basis for the original exclusion have not recurred and will not recur. *See also* 42 C.F.R. Part 1001, in particular sections 1001.102, 1001.201, 1001.301, 1001.401, 1001.501, 1001.601, 1001.1801, 1001.1901, 1001.2007, and 1001.3002 regarding aggravating factors that may lengthen the period of exclusion, waivers, and applications for reinstatement.

### ***Federal Procurement***

Under a series of executive orders, conviction of a designated crime may result in suspension or debarment from participating in federal procurement. [5 C.F.R. 919.605](#), [5 C.F.R. 919.800](#), [48 C.F.R. 9.406-2](#) and [48 C.F.R. 9.407-2](#). In addition, all federal agencies must participate in a system of debarment and suspension for non-procurement programs and debarment or suspension of a participant in a program by one agency shall have government-wide effect. The period of debarment is generally no more than three years. The person has the right to a hearing prior to debarment. The Office of Personnel Management has issued guidelines to implement the executive orders' provisions concerning non-procurement programs, 5 C.F.R. Part 919, and regulations pertaining to procurement programs are set forth in 48 C.F.R. Subpart 9.4.

---

<sup>33</sup> A conviction for this purpose is a judgment of conviction regardless of any appeals or expungement; a finding of guilt; a plea of guilty or nolo contendere; and any participation in a first offender, deferred adjudication, or other arrangement or program where judgment of conviction has been withheld. 42 U.S.C. 1320a-7(i).

### ***Defense Contractors***

A person who has been convicted of fraud or any other felony arising out of a contract with the Department of Defense is, for a period of not less than five years, prohibited from working on a defense contract or first tier subcontract in a management or supervisory capacity, as a member of the contractor's board of directors or as a consultant on the contract, or from being involved in any other capacity "with the authority to influence, advise, or control the decisions of the contractor with regard to this contract," unless a waiver is granted by the Secretary "in the interest of national security." [10 U.S.C. 2408](#) and [48 C.F.R. 252.203-7001](#). The waiver request must identify the person involved; the nature of the conviction and resultant sentence or punishment imposed; the reasons for the requested waiver; and an explanation of why a waiver is in the interest of national security. [48 C.F.R. 252.203-7001](#).<sup>34</sup>

### ***Explosive Materials License***

A license or permit to import, manufacture, or deal in explosive materials will not be issued to a person who is under indictment for or has been convicted of a crime punishable for a term exceeding one year or to a person who has an employee described above who will possess the explosive materials. [18 U.S.C. 843](#). A current license or permit may be revoked for the same reason. The applicant who is denied may request a hearing and may appeal a hearing denial to the United States court of appeals of appropriate venue.

### ***Food and Drug Administration Debarment, Suspension, or Denial of Approval***

Mandatory and permissive periods of debarment from participation in aspects of the drug industry depending upon the type of crime are set forth in [21 U.S.C. 335a](#). An individual who has been convicted of a federal felony for conduct relating to the development or approval of a drug product, including the process for development or approval of any drug product or otherwise related to the regulation of any drug product is subject to mandatory debarment from providing services in any capacity to a person (corporation, partnership, or association) that has an approved or pending drug application. [21 U.S.C. 335a\(a\)\(2\)](#).

There is a permissive debarment for an individual providing services in any capacity to a person who has an approved or pending drug application if that individual has been convicted of a state felony or federal misdemeanor for conduct (including conspiracy to commit or aiding or abetting) relating to the development or approval, including the process for development or approval of any abbreviated drug application, if a

<sup>34</sup> Restrictions on eligibility for a Defense Department security clearance applicable to persons convicted of a felony and actually incarcerated for a period of not less than one year (the so-called "Smith Act") were repealed effective January 1, 2008 by Pub. L. 110-181, 122 Stat. 3, 110<sup>th</sup> Cong., 2d Sess. *See* 10 U.S.C. § 986 (c)(1)(2007 ed.).

determination is made that the type of conduct that served as the basis for such conviction undermines the process for the regulation of drugs. [21 U.S.C. 335a\(b\)\(2\)](#).

There is a permissive debarment for an individual who has been convicted (including conspiracy to commit or aiding or abetting) a felony that involves bribery, payment of illegal gratuities, fraud, perjury, false statement, racketeering, blackmail, extortion, falsification or destruction of records, or interference with, obstruction of an investigation into, or prosecution of, any criminal offense if the individual “has demonstrated a pattern of conduct sufficient to find that there is reason to believe that such individual may violate the requirements relating to drug products.” [21 U.S.C. 335a\(b\)\(2\)](#).

Regarding food importation, there is a permissive debarment for those convicted of a felony for conduct relating to the importation into the United States of any food. [21 U.S.C. 335a\(b\)\(3\)](#).

A conviction includes a judgment of conviction regardless of whether an appeal is pending, a plea of guilty or nolo contendere, or participation in a first offender, deferred adjudication, or other similar arrangement or program where judgment of conviction has been withheld. [21 U.S.C. 335a\(l\)\(1\)](#).

A mandatory debarment for an individual is permanent. A permissive debarment may not be for more than five years and periods of debarment for multiple offenses may run concurrently or consecutively. Several factors will be considered in determining the period of debarment, including the nature and seriousness of the offense, management participation in the offense, efforts to mitigate the impact of the offense, and other factors. See [21 U.S.C. 335a\(c\)\(3\)](#). If the conviction on which the debarment was based is reversed, the order of debarment will be withdrawn. A non-permanent period of debarment may be terminated upon application if “such termination serves the interests of justice and adequately protects the integrity of the drug approval process or the food importation process.” [21 U.S.C. 335a\(c\)\(3\)](#). A permanent period of debarment may be specially terminated if, after an informal hearing, a determination is made that the individual has provided “substantial assistance in the investigations or prosecution” of other offenses. A termination or special termination may not reduce the debarment to a period less than one year.

Criminal activity, including that for which a person is under investigation, may be considered in the refusal to approve any abbreviated drug application or the suspension of the distribution of all drugs the development or approval of which is related to such conduct.

### ***Loss of Federal Grants, Contracts and Licenses Due to a Conviction of Distribution of Controlled Substances***

Any person convicted of distribution of controlled substances may, at the discretion of the sentencing court, lose their right to federal benefits in the form of grants, contracts, loans, professional license or commercial license. For the first conviction the ineligibility

period may be up to 5 years, for the second conviction the ineligibility period may be up to 10 years. For a third or subsequent conviction ineligibility is mandatory and permanent. [21 U.S.C. 862\(a\)](#). Any person convicted of possession of a controlled substance may, at the discretion of the sentencing court, be ineligible for federal benefits for up to one year. For second and subsequent convictions the ineligibility period may be up to 5 years. [21 U.S.C. 862\(b\)](#). The period of ineligibility under either of these sections shall be waived if the person declares him or herself an addict and submits to long-term treatment for addiction or is otherwise deemed to be rehabilitated. The period of ineligibility may be suspended for the same reasons or also if the person has tried to get treatment, however it proves to be inaccessible or unavailable. A federal benefit is the issuance of any grant, contract, loan, professional license, or commercial license provided by an agency of the United States or by funds appropriated by the United States. It does not include retirement, welfare, Social Security, health, disability, veterans benefit, public housing, or other similar benefit.

## VII. Family Related Matters

### *Adoption and Safe Families Act*

The Adoption and Safe Families Act (ASFA) of 1997 (Public Law 105-89) deals with federal grants given to states for foster care and adoption assistance. In order for a State to be eligible for the grants under this Act, the State must have a plan in place that meets the ASFA requirements.<sup>35</sup> [42 U.S.C. 671\(20\)\(a\)](#). The Adam Walsh Child Protection and Safety Act (Public Law 109-248), further required a fingerprint-based background check of prospective foster and adoptive parents.<sup>36</sup> Under the provisions of the ASFA, a person is barred from being a foster or adoptive parent if that person has a felony conviction of child abuse or neglect, spousal abuse, a crime against a child (including child pornography), and certain violent crimes including rape, sexual assault and homicide. There is a five year bar for a felony conviction of physical assault, battery, or a drug related offense.

The ASFA requires that a state file a petition for the termination of parental rights in the case of a child who has been in foster care under the responsibility of the State for 15 of the most recent 22 months, or, if a court of competent jurisdiction has determined a child to be an abandoned infant (as defined under State law), unless the child is being cared for by a relative, or “if a State agency has documented in the case plan (which shall be available for court review) a compelling reason for determining that filing such a petition

would not be in the best interests of the child.” This means that a custodial parent sentenced to more than 22 months in prison may lose parental rights.

The ASFA also requires that states file a petition for the termination of parental rights in any case where a parent is convicted of the murder of a child sibling or another child; voluntary manslaughter of a child sibling or another child; aiding or abetting, attempting, conspiring, or solicitation to commit such a murder or such a voluntary manslaughter; or felony assault that has resulted in serious bodily injury to the child who is the subject of the petition, a child sibling, or another child. [42 U.S.C. 675\(5\)](#).

### ***Foreign Exchange Student and Au Pair Host Families***

Federal law requires that any member of a potential host family for a Department of State sponsored foreign exchange student or au pair undergo a background check. There is no guidance provided for consideration of information provided in the background check. [22 C.F.R. 62.25](#) and [22 C.F.R. 62.31](#).

## **VIII. Federal Benefits**

### ***Social Security Benefits***

In an application for benefits on the basis of disability from the Social Security Administration (SSA), the SSA will not consider any physical or mental impairment, or any increase in severity (aggravation) of a preexisting impairment, which arises in connection with the commission of a felony after October 19, 1980, if the person was convicted of the crime. [20 C.F.R. 404.1506](#). For instance, a person shot during a bank robbery may not receive benefits for a disability arising out of the gunshot wound.

A person who has been convicted of a felony is barred from serving as a representative payee for a beneficiary entitled to benefits under Titles II and XVI of the Act. [42. U.S.C. 1383 \(a\)\(2\)\(B\)\(ii\)\(IV\)](#). The Commissioner may make an exception by determining that the certification as a representative payee would be appropriate notwithstanding the conviction. [42. U.S.C. 1383 \(a\)\(2\)\(B\)\(iii\)\(IV\)](#).

### ***Temporary Assistance to Needy Families and Food Stamps***

There is a federal lifetime ban from Temporary Assistance to Needy Families and food stamps due to a felony drug conviction. [21 U.S.C. 862a\(a\)](#). Under the federal statute individual states have been given the authority to opt out of or otherwise modify the ban, including limiting the length of time of the ban or linking the ban to addiction treatment. The District of Columbia opted out of the drug conviction ban. The Commonwealth of

Virginia did not opt out. The State of Maryland made the ability to obtain benefits dependent on drug treatment.<sup>37</sup>

### ***Federal Student Assistance***

In order to receive federal grant, loan or work assistance a person may not have been convicted of a drug offense while that person was receiving federal student aid. [20 U.S.C. 1091\(r\)](#). This includes Federal Pell Grants, Academic Competitiveness Grants, Federal Stafford Loans, Federal PLUS Loans, Federal Work Study, and Perkins Loans. A student can regain eligibility by completing a drug rehabilitation program.<sup>38</sup>

A person may not claim the tax benefits of the Hope Scholarship Credit for an academic period if he or she “has been convicted of a Federal or State felony offense consisting of the possession or distribution of a controlled substance before the end of the taxable year with or within” which the academic period ends. [20 U.S.C. 25A\(b\)\(2\)\(D\)](#).

### ***Public Housing***

A conviction of certain types of offenses can have significant consequences not only for the person convicted of the crime, but also for members of that person’s family, or the “household” for public housing purposes. Federal regulations outline both permissive and mandatory exclusions from public housing. [24 C.F.R. 982.553](#).

A person who is subject to a lifetime sex offender registration requirement is subject to a mandatory exclusion. [42 U.S.C. 13663](#). Prior to any adverse action, the public housing agency, must provide the tenant or applicant with a copy of the registration information and an opportunity to dispute the accuracy and relevance of that information. A person who has been convicted of manufacture or production of methamphetamine on the premises of federally assisted housing is subject to a mandatory exclusion. [42 U.S.C. 1437n](#).

Permissive exclusions by public housing agencies are allowed in other cases involving drug-related criminal activity and violent criminal activity. With the use of the word “activity” a person can be denied admittance for illegal activity whether or not a conviction resulted. If a public housing agency proposes to deny admission for criminal activity as shown by a criminal record, that agency must provide the subject of the record and the applicant with a copy of the criminal record and give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with 24 C.F.R. 982.554. If a public housing agency proposes to terminate assistance for criminal activity as shown by a criminal record, the agency must notify the

household of the proposed action to be based on the information and must provide the subject of the record and the tenant with a copy of the criminal record. The agency must also give the family an opportunity to dispute the accuracy and relevance of that record in accordance with 24 C.F.R. 982.555.

It has been shown that although the federal regulations require few mandatory prohibitions, local housing authority policies are much more restrictive. In a report on roadblocks to re-entry, the Legal Action Center noted:

Many of the policies that housing authorities or private landlords use to exclude people with conviction records are overly restrictive, effectively denying housing to people who pose no threat to the public, tenants or property. Oftentimes the policies are based on a misunderstanding of federal law, or on the landlord placing a premium on ease of administration, believing that it's easier to "just say no" to all people with conviction records than to perform individualized analyses of their applications. These policies should be changed. With greater education and targeted advocacy, these policies can be changed.<sup>39</sup>

### ***Veteran's Benefits***

A person who has been found guilty of mutiny, treason, sabotage, or rendering assistance to an enemy of the United States, as well as other enumerated federal crimes, forfeits all veteran's benefits, including pension, disability, hospitalization, loan guarantees, and burial in a national cemetery. [38 U.S.C. 6104](#) and [38 U.S.C. 6105](#). This includes National Service Life Insurance ([38 U.S.C. 1911](#)) and Servicemembers' Group Life Insurance and Veterans' Group Life Insurance ([38 U.S.C. 1973](#)). These benefits may be restored by a presidential pardon. 38 C.F.R. 3.903(c), 3.904(c).

Certain veteran's benefits are also forfeited if false claims for them are submitted. 38 U.S.C. § 6103.

Despite qualifying service, a person with a state or federal felony conviction is ineligible to be a resident in the Armed Forces Retirement Home. There is no exception, time limitation, or other waiver. [24 U.S.C. 412](#).<sup>40</sup>

### ***Government Employee Benefits***

A government employee who has been convicted of violating certain national security laws will lose annuity or retired pay on the basis of that employee's government service that is creditable to that annuity or retired pay. [5 U.S.C. 8312](#).

A government employee who has been convicted of a crime related to fraud in the application for or receipt of any benefits for a work injury, shall forfeit (as of the date of such conviction) any entitlement to any benefit that employee would otherwise be entitled for any injury occurring on or before the date of such conviction. [5 U.S.C. 8148](#).

### ***Obtaining a Passport***

A person convicted of a felony drug offense (criminal offense punishable by death or imprisonment for more than one year) and some misdemeanor drug offenses (not including first offenses and offenses involving only possession) will have his or her passport revoked if the person used a passport or otherwise crossed an international border in committing the offense. The ineligibility period continues while the person is incarcerated or is on parole or other supervised release. [22 U.S.C. 2714](#). The disqualification may also be applied on a case-by-case basis to misdemeanor drug offenses. There exists an exception for emergency circumstances or humanitarian reasons.

## **IX. Registration and Notification Requirements**

The Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act (the Wetterling Act), enacted in 1994, establishes federal guidelines for state sex offender registration programs. [42 U.S.C. 14071](#). In 1996, Congress passed the Pam Lychner Sexual Offender Tracking and Identification Act, which amended the Wetterling Act to provide for release of registration information in accordance with state laws. [42 U.S.C. 14072](#). “Federal authorities must notify state law enforcement and registration authorities when a federal prisoner who is a sex offender is released to their areas or when a federal sex offender is sentenced to probation.” 18 U.S.C. 4142(c).<sup>41</sup>

In July of 2006, President Bush signed the Adam Walsh Act.<sup>42</sup> This Act enhanced interstate coordination through the National Sex Offender Registry and allowed for greater access of information to law enforcement agencies across the United States. *See* [42 U.S.C. 16919](#). It also includes specific guidelines for information that must be included on internet-based sex offender registries. [42 U.S.C. 16914](#) and [42 U.S.C. 16918](#).

Those required to register are separated into three tiers with different requirements for each tier, including lifetime registration requirements for those with third tier convictions. [42 U.S.C. 16911](#) and [42 U.S.C. 16915](#). Persons with specified convictions must maintain current registrations where they reside, work, and/or are in school. [42 U.S.C. 16913](#) and [42 U.S.C. 16916](#). There are also requirements about disclosure of information regarding internet identifiers and the sharing of this information with social networking websites. [42 U.S.C. 16915a](#) and [42 U.S.C. 16915b](#).

## X. Federal Firearms Privileges

### *Firearms and Ammunition*

A person convicted of a “crime of punishable by imprisonment for a term exceeding one year” may not ship or transport a firearm (including both long guns and hand guns) or ammunition in interstate or foreign commerce, possess a firearm or ammunition in or affecting commerce, or receive any firearm or ammunition that has been shipped or transported in interstate or foreign commerce. [18 U.S.C. 921 \(a\)\(3\)](#) and [922\(g\)\(1\)](#). Moreover, a person who has been convicted of a “misdemeanor crime of domestic violence” is also prohibited from possessing firearms or ammunition. [18 U.S.C. 922\(g\)\(9\)](#).

The prohibition is inapplicable to certain federal and state offenses related to business practices (“antitrust violations, unfair trade practices, restraints of trade, or other similar offenses relating to the regulation of business practices”). [18 U.S.C. 921\(a\)\(20\)\(A\)](#). It also does not apply to certain state offenses classified as misdemeanors (“any State offense classified by the laws of the State as a misdemeanor and punishable by a term of imprisonment of two years or less”). [18 U.S.C. 921\(a\)\(20\)\(B\)](#). Finally, the prohibition does not apply to a person who has had his or her conviction “expunged, or set aside” or for a person who “has been pardoned or had his civil rights restored . . . unless such pardon, expungement, or restoration of civil rights expressly provides that the person may not ship, transport, possess, or receive firearms.” [18 U.S.C. 921\(a\)\(20\)](#). The law of the court with jurisdiction over the crime is determinative of what constitutes a conviction of that crime, with the result that the federal firearms prohibition varies widely in application from state to state.<sup>43</sup>

---

<sup>43</sup> This area of the law is highly complex, in particular the definition of what it means to have civil rights restored following a conviction, which varies in practical effect from state to state. The loss of civil rights generally refers to the basic rights of citizenship (the right to vote, serve on a jury, and hold public office). Restoration by operation of law, as opposed to some affirmative act, is sufficient to satisfy this standard. *Caron v. United States*, 524 U.S. 308, 313 (1998). Convictions that do not result in the loss of any civil rights under state law, such as some misdemeanor convictions, do not satisfy the “restoration” standard. *United States v. Logan*, 522 U.S. \_\_\_ (2007). While some courts have held that those rights must only be “substantially restored” under state law in order to meet the statutory exclusion, *see, e.g., United States v. Metzger*, 3 F.3d 756, 758 (4<sup>th</sup> Cir. 1993); *United States v. Gomez*, 911 F.2d 219, 220-21 (9<sup>th</sup> Cir. 1990), the federal prohibition remains in effect if firearms privileges remain restricted under state law. *Caron v. United States*, *supra*. Persons with federal convictions remain subject to the federal firearms disability until their civil rights are restored through a federal, not a state, procedure. *See Beecham v. United States*, 511 U.S. 368 (1994). Because the statutory process for administrative restoration has not been funded since 1991, *Bean v. United States*, 537 U.S. 71 (2002), only a presidential pardon restores firearms rights for federal offenders. For a catalogue of state firearms laws and relief provisions that interact with federal law *see* Brief for amici curiae National Association of Criminal Defense Lawyers and Families Against Mandatory Minimums in *Logan v. United States*, U.S. Sup. Ct. No. 06-6911, Appendix detailing state law provisions for loss and restoration of civil rights and firearms privileges, electronic version available at [http://www.fd.org/odstb\\_ConstructFIREARM.htm](http://www.fd.org/odstb_ConstructFIREARM.htm).

### ***Body Armor***

It is a criminal offense for a person who has been convicted of a crime of violence under state or federal law to purchase, own, or possess body armor. There exists an affirmative defense if the defendant obtained prior written certification from his or her employer that the defendant's purchase, use, or possession of body armor was necessary for the safe performance of lawful business activity; and the use and possession by the defendant were limited to the course of such performance. [18 U.S.C. 931](#).

### ***Explosives***

A person cannot knowingly distribute explosive materials to any individual who has been convicted in any court of a crime punishable by imprisonment for a term exceeding one year; is under indictment for a crime punishable by imprisonment for a term exceeding one year; or is a fugitive from justice. [18 U.S.C. 842\(d\)](#). Moreover, any person who is under indictment for, or who has been convicted in any court of, a crime punishable by imprisonment for a term exceeding one year is prohibited from shipping or transporting any explosive in or affecting interstate or foreign commerce or receiving or possessing any explosive that has been shipped or transported in or affecting interstate or foreign commerce. [18 U.S.C. 842\(i\)](#).

## **XI. Immigration Consequences**

A person who is lawfully admitted but not a citizen of the United States will be subject to removal proceedings for an aggravated felony, a crime of domestic violence, a firearms offense, a drug offense, and crimes of moral turpitude (generally crimes of fraud or evil intent), depending on how recent and how frequent, and on how long the person has been in the U.S. [8 U.S.C. 1227\(a\)\(2\)](#). The list of aggravated felonies is long, but includes murder, rape, illicit trafficking in any controlled substance as well as in firearms or destructive devices, theft, burglary, money laundering, a fraud offense if the amount of the funds exceeded \$10,000, and crimes of violence. [8 U.S.C. 1101\(a\)\(43\)\(A\)](#). Any charge that is a crime of violence, theft, burglary, or commercial bribery, counterfeiting, forgery, or trafficking in vehicles with altered vehicle identification numbers is an aggravated felony if a sentence of one year or more is imposed, regardless of the amount of time actually served, and even if the prison portion of the sentence was suspended or if the sentence was not actually imposed (deferred adjudication).

A single crime of moral turpitude is deportable if committed within five years of admission to the United States and carries a potential sentence of one year or more, regardless of whether the sentence was actually imposed. [8 U.S.C. 1227\(a\)\(2\)\(A\)](#). Multiple crimes of moral turpitude are deportable at any time if they do not arise "out of a single scheme."

Certain non-citizens who are not lawfully admitted, or those who are lawfully admitted but travel outside the U.S., are ineligible for admission to the United States, including those convicted of a drug offense or crime of moral turpitude, as well as those who were convicted of multiple offenses, regardless of whether they involved moral turpitude or arose out of a single scheme, for which the aggregate sentence of imprisonment totals more than five years. [8 U.S.C. 1182\(a\)](#). Therefore, if these people must leave the country for any reason and then try to return, they may face significant difficulties depending on how recent and how many crimes committed

In immigration law, a conviction is defined as a “formal judgment of guilt of the alien entered by a court or, if adjudication of guilt has been withheld, where a judge or jury has found the alien guilty or the alien has entered a plea of guilty or nolo contendere or has admitted sufficient facts to warrant a finding of guilt, and the judge has ordered some form of punishment, penalty, or restraint on the alien’s liberty to be imposed. Any reference to a term of imprisonment or a sentence with respect to an offense is deemed to include the period of incarceration or confinement ordered by a court of law regardless of any suspension of the imposition or execution of that imprisonment or sentence in whole or in part.”

A lawful permanent resident who is otherwise eligible may seek cancellation of removal unless that person has been convicted of an aggravated felony. [8 U.S.C. 1229b\(a\)](#).<sup>44</sup> A nonpermanent resident may seek cancellation of removal and adjustment of status unless that person has been convicted of any of the crimes enumerated in [8 U.S.C. 1227\(a\)\(2\)](#). [8 U.S.C. 1229b\(b\)](#).

A full and unconditional presidential pardon precludes the exercise of the authority to remove a convicted alien under [8 U.S.C. 1227\(a\)\(2\)](#), and removes barriers to naturalization based on conviction. “Effects of a Presidential Pardon,” 19 U.S. Op. Off. Legal Counsel 160, 1995 WL 861618 (O.L.C.) State pardons may have the effect of waiving deportation based on conviction for certain crimes, and may also remove barriers to naturalization. A state pardon does not waive deportation for drug and firearms offenses, sex offenses, and certain other serious offenses.

---

<sup>44</sup> This area of the law is highly complex. There are certain things that can be done in negotiated plea agreements in criminal proceedings to avoid mandatory deportation, for example a sentence to 364 days instead of a year to avoid aggravated felony ineligibility for cancellation of removal. Otherwise the person may seek to have the conviction vacated or seek an unconditional pardon. For practitioners and advocacy groups who are committed to justice in this area of the law *see* Immigrant Legal Resource Center, <http://www.ilrc.org/criminal.php>, a member of the Defending Immigrants Partnership along with the National Immigration Project of the National Lawyers Guild, the National Legal Aid and Defender Association, and the New York State Defender Association.

## XII. Federal Relief and Restoration Provisions

A presidential pardon restores civil rights lost as a result of a federal conviction under state or federal law, including the rights to vote, to serve on a jury, and to hold public office, and generally relieves other disabilities that attach solely by reason of the commission or conviction of the pardoned offense. *See Ex parte Garland*, 71 U.S. 333 (1866); “Effects of a Presidential Pardon,” 19 U.S. Op. Off. Legal Counsel 160, 1995 WL 861618 (O.L.C.) *See also In Re Elliott Abrams*, 689 A. 2d 6 (D.C. 1997). The loss of civil rights generally occurs as a matter of state law and thus those rights may be restored by state action as well as by a presidential pardon.<sup>45</sup> State offenses are ineligible for a presidential pardon.

Certain federal statutes also specifically provide that a presidential pardon will remove a particular disqualification. *See, e.g.* 8 U.S.C. § 1227(a)(2)(A)(v)(removal of an alien from the United States); 42 U.S.C. § 402(u)(3)(court-imposed penalties relating to the receipt or calculation of old-age or disability insurance benefits); 38 U.S.C. § 6105(a); 38 C.F.R. §§ 3.903(c), 3.904(c)(veterans’ benefits).

There is no general federal statutory procedure whereby civil rights may be restored after conviction or judicial records of an adult federal criminal conviction expunged. *See, e.g., United States v. Crowell*, 374 F.3d 790, 792 (9<sup>th</sup> Cir. 2004).<sup>46</sup> However, some courts

United States*, U.S. Sup. Ct. No. 06-6911, Appendix detailing state law provisions for loss and restoration of civil rights and firearms privileges, electronic version available at [http://www.fd.org/odstb\\_ConstructFIREARM.htm](http://www.fd.org/odstb_ConstructFIREARM.htm).

<sup>46</sup> Under 18 U.S.C. § 3607, a person found guilty of a misdemeanor offense of simple possession of marijuana under 21 U.S.C. § 844 who has no prior federal or state drug conviction may agree to complete up to a year of probation before a judgment of conviction is entered. If the defendant successfully completes the probationary period, the case is dismissed without the entry of a judgment of conviction and only a non-public record of the disposition is maintained. The defendant in such a case is not considered to have been convicted for any purpose. If the defendant was less than 21 years old at the time the offense was committed, the records of any arrest or initiation of criminal proceedings in the case may be expunged as well. This procedure is available to a defendant only once. The effect of expungement under § 3607 is explained as follows:

“The expungement order shall direct that there be expunged from all official records, except the nonpublic records referred to in subsection (b), all references to his arrest for the offense, the institution of criminal proceedings against him, and the results thereof. The effect of the order shall be to restore such person, in the contemplation of the law, to the status he occupied before such arrest or institution of criminal proceedings. A person concerning whom such an order has been entered shall not be held thereafter under any provision of law to be guilty of perjury, false swearing, or making a false statement by reason of his failure to recite or acknowledge such arrests or institution of criminal proceedings, or the results thereof, in response to an inquiry made of him for any purpose.”

have held that federal courts have inherent ancillary authority to expunge criminal records where an arrest or conviction is found to be invalid or a clerical error is made. *United States v. Sumner*, 226 F.3d 1005, 1009 (9<sup>th</sup> Cir.2000).

## Appendix 1

### *Federal Consequences Affecting a Person with a Felony Drug Conviction*<sup>47</sup>

Below is a list of the consequences that affect a person who has been convicted of a felony involving controlled substances. Many of these consequences would affect a person with any type of conviction; however, there are several, including the felony drug ban for welfare, which affect only those with a drug conviction (those specific to a drug conviction are in bold). This purpose of this list is to show the vast number of limitations arising from federal law that a person faces due to a criminal conviction, particularly one involving drugs.

- The person's [right to vote](#) may be lost depending on individual state laws.
- The person is unable to serve on a [federal grand or petit jury](#) unless his or her civil rights are restored.
- The person's [passport](#) will be revoked while he or she is only parole of supervised release if he used his passport or otherwise crossed an international border in the commission of the offense, unless an exception is granted for humanitarian reasons.
- If a member, the person may be removed as a board member of the [United States Institute of Peace](#).
- The person may not be appointed to or continue service on the [National Indian Gaming Commission](#).
- The person may not participate in any activity sponsored or supported by the [Civilian Marksmanship Program](#) and may not purchase any firearms sold by the Civilian Marksmanship Program.
- The person may not enlist in any branch of the [military](#) unless the Secretary of Defense authorizes an exception.
- The person may not serve as a [court appointed special advocate](#) if it is determined that the act committed would pose a risk to children or to the court-appointed special advocate program's credibility.
- The person may not serve as a [mentor for children of prisoners](#) for five years following the commission of the offense.

(iii) Any individual whom the Secretary finds materially participated in acts that were the basis for a conviction for an offense described in subsection (a) of this section or in clause (i) or (ii) for which a conviction was obtained, if the Secretary finds, on the basis of such participation and other information, that such individual has demonstrated a pattern of conduct sufficient to find that there is reason to believe that such individual may violate requirements under this chapter relating to drug products.

(iv) Any high managerial agent whom the Secretary finds—

(I) worked for, or worked as a consultant for, the same person as another individual during the period in which such other individual took actions for which a felony conviction was obtained and which resulted in the debarment under subsection (a)(2) of this section, or clause (i), of such other individual, (II) had actual knowledge of the actions described in subclause (I) of such other individual, or took action to avoid such actual knowledge, or failed to take action for the purpose of avoiding such actual knowledge, (III) knew that the actions described in subclause (I) were violative of law, and (IV) did not report such actions, or did not cause such actions to be reported, to an officer, employee, or agent of the Department or to an appropriate law enforcement officer, or failed to take other appropriate action that would have ensured that the process for the regulation of drugs was not undermined, within a reasonable time after such agent first knew of such actions, if the Secretary finds that the type of conduct which served as the basis for such other individual's conviction undermines the process for the regulation of drugs.

(3) Persons subject to permissive debarment; food importation

A person is subject to debarment under paragraph (1)(c) if—

(A) the person has been convicted of a felony for conduct relating to the importation into the United States of any food; or

(B) the person has engaged in a pattern of importing or offering for import adulterated food that presents a threat of serious adverse health consequences or death to humans or animals.

(4) Stay of certain orders

An order of the Secretary under clause (iii) or (iv) of paragraph (2)(B) shall not take effect until 30 days after the order has been issued.

(c) Debarment period and considerations

(1) Effect of debarment

The Secretary—

(A) shall not accept or review (other than in connection with an audit under this section) any abbreviated drug application submitted by or with the assistance of a person debarred under subsection (a)(1) or (b)(2)(A) of this section during the period such person is debarred,

(B) shall, during the period of a debarment under subsection (a)(2) or (b)(2)(B) of this section, debar an individual from providing services in any capacity to a person that has an approved or pending drug product application and shall not accept or review (other than in connection with an audit under this section) an abbreviated drug application from such individual, and

(C) shall, if the Secretary makes the finding described in paragraph (6) or (7) of section 335b(a) of this title, assess a civil penalty in accordance with section 335b of this title.

(2) Debarment periods

(A) In general

The Secretary shall debar a person under subsection (a) or (b) of this section for the following periods:

(i) The period of debarment of a person (other than an individual) under subsection (a)(1) of this section shall not be less than 1 year or more than 10 years, but if an act leading to a subsequent debarment under subsection (a) of this section occurs within 10 years after such person has been debarred under subsection (a)(1) of this section, the period of debarment shall be permanent.

(ii) The debarment of an individual under subsection (a)(2) of this section shall be permanent.

(iii) The period of debarment of any person under paragraph (2) or (3) of subsection (b) of this section shall not be more than 5 years.

The Secretary may determine whether debarment periods shall run concurrently or consecutively in the case of a person debarred for multiple offenses.

(B) Notification

Upon a conviction for an offense described in subsection (a) or (b) of this section or upon execution of an agreement with the United States to plead guilty to such an offense, the person involved may notify the Secretary that the person acquiesces to debarment and such person's debarment shall commence upon such notification.

(3) Considerations

In determining the appropriateness and the period of a debarment of a person under subsection (b) of this section and any period of debarment beyond the minimum specified in subparagraph (A)(i) of paragraph (2), the Secretary shall consider where applicable—

(A) the nature and seriousness of any offense involved,

(B) the nature and extent of management participation in any offense involved, whether corporate policies and practices encouraged the offense, including whether inadequate institutional controls contributed to the offense,

(C) the nature and extent of voluntary steps to mitigate the impact on the public of any offense involved, including the recall or the discontinuation of the distribution of suspect drugs, full cooperation with any investigations (including the extent of disclosure to appropriate authorities of all wrongdoing), the relinquishing of profits on drug approvals fraudulently obtained, and any other actions taken to substantially limit potential or actual adverse effects on the public health,

(D) whether the extent to which changes in ownership, management, or operations have corrected the causes of any offense involved and provide reasonable assurances that the offense will not occur in the future,

(E) whether the person to be debarred is able to present adequate evidence that current production of drugs subject to abbreviated drug applications and all pending abbreviated drug applications are free of fraud or material false statements, and

(F) prior convictions under this chapter or under other Acts involving matters within the jurisdiction of the Food and Drug Administration.

**(d) Termination of debarment**

(1) Application

Any person that is debarred under subsection (a) of this section (other than a person permanently debarred) or any person that is debarred under subsection (b) of this section may apply to the Secretary for termination of the debarment under this subsection. Any information submitted to the Secretary under this paragraph does not constitute an amendment or supplement to pending or approved abbreviated drug applications.

The Secretary shall grant or deny any application respecting a debarment which is submitted under paragraph (1) within 180 days of the date the application is submitted.

(3) Action by the Secretary

(ii) Application

Upon application submitted under paragraph (1), the Secretary shall terminate the debarment of an individual who has been debarred under subsection (b)(2)(B) or subsection (b)(3) of this section if such termination serves the interests of justice and adequately protects the integrity of the drug approval process or the food importation process, as the case may be.

(4) Special termination

(A) Application

Any person that is debarred under subsection (a)(1) of this section (other than a person permanently debarred under subsection (c)(2)(A)(i) of this section) or any individual who is debarred under subsection (a)(2) of this section may apply to the Secretary for special termination of debarment under this subsection. Any information submitted to the Secretary under this subparagraph does not constitute an amendment or supplement to pending or approved abbreviated drug applications.

...

(C) Individuals

Upon an application submitted under subparagraph (A), the Secretary may take the action described in subparagraph (D) if the Secretary, after an informal hearing, finds that such individual has provided substantial assistance in the investigations or prosecutions of offenses which are described in subsection (a) or (b) of this section or which relate to any matter under the jurisdiction of the Food and Drug Administration.

(D) Secretarial action

The action referred to in subparagraphs (B) and (C) is—

- (i) in the case of a person other than an individual—
  - (I) terminating the debarment immediately, or
  - (II) limiting the period of debarment to less than one year, and
- (ii) in the case of an individual, limiting the period of debarment to less than permanent but to no less than 1 year,

whichever best serves the interest of justice and protects the integrity of the drug approval process.

(e) Publication and list of debarred persons

The Secretary shall publish in the Federal Register the name of any person debarred under subsection (a) or (b) of this section, the effective date of the debarment, and the period of the debarment. The Secretary shall also maintain and make available to the public a list, updated no less often than quarterly, of such persons, of the effective dates and minimum periods of such debarments, and of the termination of debarments.

(f) Temporary denial of approval

(1) In general

The Secretary, on the Secretary's own initiative or in response to a petition, may, in accordance with paragraph (3), refuse by order, for the period prescribed by paragraph (2), to approve any abbreviated drug application submitted by any person—

(A) if such person is under an active Federal criminal investigation in connection with an action described in subparagraph (B),

(B) if the Secretary finds that such person—

- (i) has bribed or attempted to bribe, has paid or attempted to pay an illegal gratuity, or has induced or attempted to induce another person to bribe or pay an illegal gratuity to any officer, employee, or agent of the Department of Health and Human Services or to any other Federal, State, or local official in connection with any abbreviated drug application, or has conspired to commit, or aided or abetted, such actions, or
- (ii) has knowingly made or caused to be made a pattern or practice of false statements or misrepresentations with respect to material facts relating to any abbreviated drug application, or the production of any drug subject to an abbreviated drug application, to any officer, employee, or agent of the Department of Health and Human Services, or has conspired to commit, or aided or abetted, such actions, and

(C) if a significant question has been raised regarding—

- (i) the integrity of the approval process with respect to such abbreviated drug application, or
- (ii) the reliability of data in or concerning such person's abbreviated drug application.

Such an order may be modified or terminated at any time.

(2) Applicable period

(A) In general

Except as provided in subparagraph (B), a denial of approval of an application of a person under paragraph (1) shall be in effect for a period determined by the Secretary but not to exceed 18 months beginning on the date the Secretary finds that the conditions described in subparagraphs (A), (B), and (C) of paragraph (1) exist. The Secretary shall terminate such denial—

- (i) if the investigation with respect to which the finding was made does not result in a criminal charge against such person, if criminal charges have been brought and the charges have been dismissed, or if a judgment of acquittal has been entered, or
- (ii) if the Secretary determines that such finding was in error.

(B) Extension

If, at the end of the period described in subparagraph (A), the Secretary determines that a person has been criminally charged for an action described in subparagraph (B) of paragraph (1), the Secretary may extend the period of denial of approval of an application for a period not to exceed 18 months. The Secretary shall terminate such extension if the charges have been dismissed, if a judgment of acquittal has been entered, or if the Secretary determines that the finding described in subparagraph (A) was in error.

(3) Informal hearing

Within 10 days of the date an order is issued under paragraph (1), the Secretary shall provide such person with an opportunity for an informal hearing, to be held within such 10 days, on the decision of the Secretary to refuse approval of an abbreviated drug application. Within 60 days of the date on which such hearing is held, the Secretary shall notify the person given such hearing whether the Secretary's refusal of approval will be continued, terminated, or otherwise modified. Such notification shall be final agency action.

(g) Suspension authority

(1) In general

If—

(A) the Secretary finds—

- (i) that a person has engaged in conduct described in subparagraph (B) of subsection (f)(1) of this section in connection with 2 or more drugs under abbreviated drug applications, or

  - (I) such violations may undermine the safety and efficacy of such drugs, and
  - (II) the causes of such violations have not been corrected within a reasonable period of time following notice of such violations by the Secretary, and

(B) such person is under an active investigation by a Federal authority in connection with a civil or criminal action involving conduct described in subparagraph (A),

the Secretary shall issue an order suspending the distribution of all drugs the development or approval of which was related to such conduct described in subparagraph (A) or suspending the distribution of all drugs approved under abbreviated drug applications of such person if the Secretary finds that such conduct may have affected the development or approval of a significant number of drugs which the Secretary is unable to identify. The Secretary shall exclude a drug from such order if the Secretary determines that such conduct was not likely to have influenced the safety or efficacy of such drug.

**(2) Public health waiver**

The Secretary shall, on the Secretary's own initiative or in response to a petition, waive the suspension under paragraph (1) (involving an action described in paragraph (1)(A)(i)) with respect to any drug if the Secretary finds that such waiver is necessary to protect the public health because sufficient quantities of the drug would not otherwise be available. The Secretary shall act on any petition seeking action under this paragraph within 180 days of the date the petition is submitted to the Secretary.

**(h) Termination of suspension**

The Secretary shall withdraw an order of suspension of the distribution of a drug under subsection (g) of this section if the person with respect to whom the order was issued demonstrates in a petition to the Secretary—

(1)(A) on the basis of an audit by the Food and Drug Administration or by experts acceptable to the Food and Drug Administration, or on the basis of other information, that the development, approval, manufacturing, and distribution of such drug is in substantial compliance with the applicable requirements of this chapter, and

(B) changes in ownership, management, or operations—

(i) fully remedy the patterns or practices with respect to which the order was issued, and

(ii) provide reasonable assurances that such actions will not occur in the future, or

(2) the initial determination was in error.

The Secretary shall act on a submission of a petition under this subsection within 180 days of the date of its submission and the Secretary may consider the petition concurrently with the suspension proceeding. Any information submitted to the Secretary under this subsection does not constitute an amendment or supplement to a pending or approved abbreviated drug application.

**(i) Procedure**

The Secretary may not take any action under subsection (a), (b), (c), (d)(3), (g), or (h) of this section with respect to any person unless the Secretary has issued an order for such action made on the record after opportunity for an agency hearing on disputed issues of material fact. In the course of any investigation or hearing under this subsection, the Secretary may administer oaths and affirmations, examine witnesses, receive evidence,

and issue subpoenas requiring the attendance and testimony of witnesses and the production of evidence that relates to the matter under investigation.

In such an action, the court shall determine the matter de novo.

**(k) Certification**

Any application for approval of a drug product shall include—

(1) a certification that the applicant did not and will not use in any capacity the services of any person debarred under subsection (a) or (b) of this section, in connection with such application, and

(2) if such application is an abbreviated drug application, a list of all convictions, described in subsections (a) and (b) of this section which occurred within the previous 5 years, of the applicant and affiliated persons responsible for the development or submission of such application.

**(l) Applicability**

**42 U.S.C. 629i – Grants for programs for mentoring children of prisoners**

**(a) Findings and purposes**

**(1) Findings**

(A) In the period between 1991 and 1999, the number of children with a parent incarcerated in a Federal or State correctional facility increased by more than 100 percent, from approximately 900,000 to approximately 2,000,000. In 1999, 2.1 percent of all children in the United States had a parent in Federal or State prison.

(B) Prior to incarceration, 64 percent of female prisoners and 44 percent of male prisoners in State facilities lived with their children.

(C) Nearly 90 percent of the children of incarcerated fathers live with their mothers, and 79 percent of the children of incarcerated mothers live with a grandparent or other relative.

(D) Parental arrest and confinement lead to stress, trauma, stigmatization, and separation problems for children. These problems are coupled with existing problems that include poverty, violence, parental substance abuse, high-crime environments, intrafamilial abuse, child abuse and neglect, multiple care givers, and/or prior separations. As a result, these children often exhibit a broad variety of behavioral, emotional, health, and educational problems that are often compounded by the pain of separation.

(E) Empirical research demonstrates that mentoring is a potent force for improving children’s behavior across all risk behaviors affecting health. quality, one-on-one relationships that provide young people with caring role models for future success have profound, life-changing potential. done right, mentoring markedly advances youths’ life prospects. a widely cited 1995 study by public/private ventures measured the impact of one big brothers big sisters program and found significant effects in the lives of youth—cutting first-time drug use by almost half and first-time alcohol use

by about a third, reducing school absenteeism by half, cutting assaultive behavior by a third, improving parental and peer relationships, giving youth greater confidence in their school work, and improving academic performance.

**(2) Purposes**

The purposes of this section are to authorize the Secretary—

(A) to make competitive grants to applicants in areas with substantial numbers of children of incarcerated parents, to support the establishment or expansion and operation of programs using a network of public and private community entities to provide mentoring services for children of prisoners; and

(B) to enter into on a competitive basis a cooperative agreement to conduct a service delivery demonstration project in accordance with the requirements of subsection (g).

**(b) Definitions**

In this section:

**(1) Children of prisoners**

The term “children of prisoners” means children one or both of whose parents are incarcerated in a Federal, State, or local correctional facility. The term is deemed to include children who are in an ongoing mentoring relationship in a program under this section at the time of their parents’ release from prison, for purposes of continued participation in the program.

**(2) Mentoring**

The term “mentoring” means a structured, managed program in which children are appropriately matched with screened and trained adult volunteers for one-on-one relationships, involving meetings and activities on a regular basis, intended to meet, in part, the child’s need for involvement with a caring and supportive adult who provides a positive role model.

**(3) Mentoring services**

The term “mentoring services” means those services and activities that support a structured, managed program of mentoring, including the management by trained personnel of outreach to, and screening of, eligible children; outreach to, education and training of, and liaison with sponsoring local organizations; screening and training of adult volunteers; matching of children with suitable adult volunteer mentors; support and oversight of the mentoring relationship; and establishment of goals and evaluation of outcomes for mentored children.

- (ii) comply with any request described in clause (i) that is received from another State; and
- (iii) have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the State, and to prevent any such information obtained pursuant to this subparagraph from being used for a purpose other than the conducting of background checks in foster or adoptive placement cases;

**(f) Emergency disqualification.**—

(1) Limited duration.—The Secretary shall disqualify an individual from operating a commercial motor vehicle for not to exceed 30 days if the Secretary determines that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

(2) After notice and hearing.—The Secretary shall disqualify an individual from operating a commercial motor vehicle for more than 30 days if the Secretary determines, after notice and an opportunity for a hearing, that allowing the individual to continue to operate a commercial motor vehicle would create an imminent hazard (as such term is defined in section 5102).

**(g) Noncommercial motor vehicle convictions.—**

(1) Issuance of regulations.—Not later than 1 year after the date of the enactment of this Act, the Secretary shall issue regulations providing for the disqualification by the Secretary from operating a commercial motor vehicle of an individual who holds a commercial driver's license and who has been convicted of—

(A) a serious offense involving a motor vehicle (other than a commercial motor vehicle) that has resulted in the revocation, cancellation, or suspension of the individual's license; or

(B) a drug or alcohol related offense involving a motor vehicle (other than a commercial motor vehicle).

(2) Requirements for regulations.—Regulations issued under paragraph (1) shall establish the minimum periods for which the disqualifications shall be in effect, but in no case shall the time periods for disqualification for noncommercial motor vehicle violations be more stringent than those for offenses or violations involving a commercial motor vehicle. The Secretary shall determine such periods based on the seriousness of the offenses on which the convictions are based.

**(h) State disqualification.—**Notwithstanding subsections (b) through (g) of this section, the Secretary does not have to disqualify an individual from operating a commercial motor vehicle if the State that issued the individual a license authorizing the operation has disqualified the individual from operating a commercial motor vehicle under subsections (b) through (g). Revocation, suspension, or cancellation of the license is deemed to be disqualification under this subsection.

**49 U.S.C. 44709 – Amendments, modifications, suspensions, and revocations of certificates**

**(a) Reinspection and reexamination.—**The Administrator of the Federal Aviation Administration may reinspect at any time a civil aircraft, aircraft engine, propeller, appliance, design organization, production certificate holder, air navigation facility, or air agency, or reexamine an airman holding a certificate issued under section 44703 of this title.

**(b) Actions of the Administrator.**—The Administrator may issue an order amending, modifying, suspending, or revoking—

(1) any part of a certificate issued under this chapter if—

(A) the Administrator decides after conducting a reinspection, reexamination, or other investigation that safety in air commerce or air transportation and the public interest require that action; or

(B) the holder of the certificate has violated an aircraft noise or sonic boom standard or regulation prescribed under section 44715(a) of this title; and

(2) an airman certificate when the holder of the certificate is convicted of violating section 13(a) of the Fish and Wildlife Act of 1956 (16 U.S.C. 742j-1(a)).

**(c) Advice to certificate holders and opportunity to answer.**—Before acting under subsection (b) of this section, the Administrator shall advise the holder of the certificate of the charges or other reasons on which the Administrator relies for the proposed action. Except in an emergency, the Administrator shall provide the holder an opportunity to answer the charges and be heard why the certificate should not be amended, modified, suspended, or revoked.

**(d) Appeals.**—(1) A person adversely affected by an order of the Administrator under this section may appeal the order to the National Transportation Safety Board. After notice and an opportunity for a hearing, the Board may amend, modify, or reverse the order when the Board finds—

(A) if the order was issued under subsection (b)(1)(A) of this section, that safety in air commerce or air transportation and the public interest do not require affirmation of the order; or

(B) if the order was issued under subsection (b)(1)(B) of this section—

(i) that control or abatement of aircraft noise or sonic boom and the public health and welfare do not require affirmation of the order; or

(ii) the order, as it is related to a violation of aircraft noise or sonic boom standards and regulations, is not consistent with safety in air commerce or air transportation.

(2) The Board may modify a suspension or revocation of a certificate to imposition of a civil penalty.

(3) When conducting a hearing under this subsection, the Board is not bound by findings of fact of the Administrator but is bound by all validly adopted interpretations of laws and regulations the Administrator carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law.

**(e) Effectiveness of orders pending appeal.**—

(1) In general.—When a person files an appeal with the Board under subsection (d), the order of the Administrator is stayed.

(2) Exception.—Notwithstanding paragraph (1), the order of the Administrator is effective immediately if the Administrator advises the Board that an emergency exists and safety in air commerce or air transportation requires the order to be effective immediately.

(3) Review of emergency order.—A person affected by the immediate effectiveness of the Administrator’s order under paragraph (2) may petition for a review by the Board, under procedures promulgated by the Board, of the Administrator’s determination that an emergency exists. Any such review shall be requested not later than 48 hours after the order is received by the person. If the Board finds that an emergency does not exist that requires the immediate application of the order in the interest of safety in air commerce or air transportation, the order shall be stayed, notwithstanding paragraph (2). The Board shall dispose of a review request under this paragraph not later than 5 days after the date on which the request is filed.

(4) Final disposition.—The Board shall make a final disposition of an appeal under subsection (d) not later than 60 days after the date on which the appeal is filed.

(f) Judicial review.—A person substantially affected by an order of the Board under this section, or the Administrator when the Administrator decides that an order of the Board under this section will have a significant adverse impact on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

#### **49 U.S.C. 44710 – Revocations of airman certificates for controlled substance violations**

(a) Definition.—In this section, “controlled substance” has the same meaning given that term in section 102 of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 802).

(b) Revocation.--(1) The Administrator of the Federal Aviation Administration shall issue an order revoking an airman certificate issued an individual under section 44703 of this title after the individual is convicted, under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance), of an offense punishable by death or imprisonment for more than one year if the Administrator finds that—

- (A) an aircraft was used to commit, or facilitate the commission of, the offense; and
- (B) the individual served as an airman, or was on the aircraft, in connection with committing, or facilitating the commission of, the offense.

- (2) The Administrator shall issue an order revoking an airman certificate issued an individual under section 44703 of this title if the Administrator finds that—
- (A) the individual knowingly carried out an activity punishable, under a law of the United States or a State related to a controlled substance (except a law related to simple possession of a controlled substance), by death or imprisonment for more than one year;
  - (B) an aircraft was used to carry out or facilitate the activity; and
  - (C) the individual served as an airman, or was on the aircraft, in connection with carrying out, or facilitating the carrying out of, the activity.
- (3) The Administrator has no authority under paragraph (1) of this subsection to review whether an airman violated a law of the United States or a State related to a controlled substance.

**(c) Advice to holders and opportunity to answer.**—Before the Administrator revokes a certificate under subsection (b) of this section, the Administrator must—

- (1) advise the holder of the certificate of the charges or reasons on which the Administrator relies for the proposed revocation; and
- (2) provide the holder of the certificate an opportunity to answer the charges and be heard why the certificate should not be revoked.

**(d) Appeals.**—(1) An individual whose certificate is revoked by the Administrator under subsection (b) of this section may appeal the revocation order to the National Transportation Safety Board. The Board shall affirm or reverse the order after providing notice and an opportunity for a hearing on the record. When conducting the hearing, the Board is not bound by findings of fact of the Administrator but shall be bound by all validly adopted interpretations of laws and regulations the Administrator carries out and of written agency policy guidance available to the public related to sanctions to be imposed under this section unless the Board finds an interpretation is arbitrary, capricious, or otherwise not according to law.

- (2) When an individual files an appeal with the Board under this subsection, the order of the Administrator revoking the certificate is stayed. However, if the Administrator advises the Board that safety in air transportation or air commerce requires the immediate effectiveness of the order—
- (A) the order remains effective; and
  - (B) the Board shall make a final disposition of the appeal not later than 60 days after the Administrator so advises the Board.

(3) An individual substantially affected by an order of the Board under this subsection, or the Administrator when the Administrator decides that an order of the Board will have a significant adverse effect on carrying out this part, may obtain judicial review of the order under section 46110 of this title. The Administrator shall be made a party to the judicial review proceedings. Findings of fact of the Board are conclusive if supported by substantial evidence.

(e) Acquittal.--(1) The Administrator may not revoke, and the Board may not affirm a revocation of, an airman certificate under subsection (b)(2) of this section on the basis of an activity described in subsection (b)(2)(A) if the holder of the certificate is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity.

(2) If the Administrator has revoked an airman certificate under this section because of an activity described in subsection (b)(2)(A) of this section, the Administrator shall reissue a certificate to the individual if—

(A) the individual otherwise satisfies the requirements for a certificate under section 44703 of this title; and

(B)(i) the individual subsequently is acquitted of all charges related to a controlled substance in an indictment or information arising from the activity; or

(ii) the conviction on which a revocation under subsection (b)(1) of this section is based is reversed.

(f) Waivers.—The Administrator may waive the requirement of subsection (b) of this section that an airman certificate of an individual be revoked if—

(1) a law enforcement official of the United States Government or of a State requests a waiver; and

(2) the Administrator decides that the waiver will facilitate law enforcement efforts.

(b) Must—	Must conclude, based on a preponderance of the evidence, that the person has engaged in conduct that warrants debarment.
(1) Have adequate evidence that there may be a cause for debarment of a person; and	
(2) Conclude that immediate action is necessary to protect the Federal interest	
(c) Usually imposes the suspension first, and then promptly notifies the suspended person, giving the person an opportunity to contest the suspension and have it lifted	Imposes debarment after giving the respondent notice of the action and an opportunity to contest the proposed debarment.

(a) Scope. States are required to subject persons who are involved in the manufacture or production of REAL ID driver's licenses and identification cards, or who have the ability to affect the identity information that appears on the driver's license or identification card, or current employees who will be assigned to such positions ("covered employees" or "covered positions"), to a background check. The background check must include, at a minimum, the validation of references from prior employment, a name-based and fingerprint-based criminal history records check, and employment eligibility verification otherwise required by law. States shall describe their background check process as part of their security plan, in accordance with § 37.41(b)(4)(ii). This section also applies to contractors utilized in covered positions.

**(b) Background checks.** States must ensure that any covered employee under paragraph (a) of this section is provided notice that he or she must undergo a background check and the contents of that check.

(1) Criminal history records check. States must conduct a name-based and fingerprint-based criminal history records check (CHRC) using, at a minimum, the FBI's National Crime Information Center (NCIC) and the Integrated Automated Fingerprint Identification (IAFIS) database and State repository records on each covered employee identified in paragraph (a) of this section, and determine if the covered employee has been convicted of any of the following disqualifying crimes:

(i) Permanent disqualifying criminal offenses. A covered employee has a permanent disqualifying offense if convicted, or found not guilty by reason of insanity, in a civilian or military jurisdiction, of any of the felonies set forth in 49 CFR 1572.103(a).

(ii) Interim disqualifying criminal offenses. The criminal offenses referenced in 49 CFR 1572.103(b) are disqualifying if the covered employee was either convicted of those offenses in a civilian or military jurisdiction, or admits having committed acts which constitute the essential elements of any of those criminal offenses within the seven years preceding the date of employment in the covered position; or the covered employee was released from incarceration for the crime within the five years preceding the date of employment in the covered position.

(iii) Under want or warrant. A covered employee who is wanted or under indictment in any civilian or military jurisdiction for a felony referenced in this section is disqualified until the want or warrant is released.

(iv) Determination of arrest status. When a fingerprint-based check discloses an arrest for a disqualifying crime referenced in this section without indicating a disposition, the State must determine the disposition of the arrest.

(v) Waiver. The State may establish procedures to allow for a waiver of the requirements of paragraphs (b)(1)(ii) or (b)(1)(iv) of this section under circumstances determined by the State. These procedures can cover circumstances where the covered employee has been arrested, but no final disposition of the matter has been reached.

(2) Employment eligibility status verification. The State shall ensure it is fully in compliance with the requirements of section 274A of the Immigration and Nationality Act (8 U.S.C. 1324a) and its implementing regulations (8 CFR part 274A) with respect to each covered employee. The State is encouraged to participate in the USCIS E-Verify program (or any successor program) for employment eligibility verification.

(3) Reference check. Reference checks from prior employers are not required if the individual has been employed by the DMV for at least two consecutive years since May 11, 2006.

under paragraph (b)(1)(ii), the covered employee may not be employed in a position described in paragraph (a) of this section. An employee whose employment eligibility has not been verified as required by section 274A of the Immigration and Nationality Act (8 U.S.C. 1324a) and its implementing regulations (8 CFR part 274A) may not be employed in any position.

(d) Background checks substantially similar to the requirements of this section that were conducted on existing employees on or after May 11, 2006 need not be re-conducted.

**10 C.F.R. 73.56 – Personnel access authorization requirements for nuclear power plants.**

By April 27, 1992, the required access authorization program must be incorporated into the site Physical Security Plan as provided for by 10 CFR 50.54(p)(2) and implemented. By April 27, 1992, each licensee shall certify to the NRC that it has implemented an access authorization program that meets the requirements of this part.

(2) Each applicant for a license to operate a nuclear power reactor pursuant to §§ 50.21(b) or 50.22 of this chapter, whose application was submitted prior to April 25, 1991, shall either by April 27, 1992, or the date of receipt of the operating license, whichever is later, incorporate the required access authorization program into the site Physical Security Plan and implement it.

(3) Each applicant for a license to operate a nuclear power reactor under §§ 50.21(b) or 50.22 of this chapter, including an applicant for a combined license under part 52 of this chapter, whose application is submitted after April 25, 1991, shall include the required access authorization program as part of its Physical Security Plan. The applicant, upon receipt of an operating license or upon notice of the Commission's finding under § 52.103(g) of this chapter, shall implement the required access authorization program as part of its site Physical Security Plan.

(4) The licensee may accept an access authorization program used by its contractors or vendors for their employees provided it meets the requirements of this section. The licensee may accept part of an access authorization program used by its contractors, vendors, or other affected organizations and substitute, supplement, or duplicate any portion of the program as necessary to meet the requirements of this section. In any

case, the licensee is responsible for granting, denying, or revoking unescorted access authorization to any contractor, vendor, or other affected organization employee.

**(b) General performance objective and requirements.**

(1) The licensee shall establish and maintain an access authorization program granting individuals unescorted access to protected and vital areas with the objective of providing high assurance that individuals granted unescorted access are trustworthy and reliable, and do not constitute an unreasonable risk to the health and safety of the public including a potential to commit radiological sabotage.

(2) Except as provided for in paragraphs (c) and (d) of this section, the unescorted access authorization program must include the following:

(i) A background investigation designed to identify past actions which are indicative of an individual's future reliability within a protected or vital area of a nuclear power reactor. As a minimum, the background investigation must verify an individual's true identity, and develop information concerning an individual's employment history, education history, credit history, criminal history, military service, and verify an individual's character and reputation.

(ii) A psychological assessment designed to evaluate the possible impact of any noted psychological characteristics which may have a bearing on trustworthiness and reliability.

(iii) Behavioral observation, conducted by supervisors and management personnel, designed to detect individual behavioral changes which, if left unattended, could lead to acts detrimental to the public health and safety.

(3) The licensee shall base its decision to grant, deny, revoke, or continue an unescorted access authorization on review and evaluation of all pertinent information developed.

(4) Failure by an individual to report any previous suspension, revocation, or denial of unescorted access to nuclear power reactors is considered sufficient cause for denial of unescorted access authorization.

**10 C.F.R. Pt. 73, App. B – General criteria for security personnel**

INTRODUCTION

Security personnel who are responsible for the protection of special nuclear material on site or in transit and for the protection of the facility or shipment vehicle against radiological sabotage should, like other elements of the physical security system, be required to meet minimum criteria to ensure that they will effectively perform their assigned security-related job duties. In order to ensure that those individuals responsible for security are properly equipped and qualified to execute the job duties prescribed for them, the NRC has developed general criteria that specify security personnel qualification requirements.

These general criteria establish requirements for the selection, training, equipping, testing, and qualification of individuals who will be responsible for protecting special nuclear materials, nuclear facilities, and nuclear shipments.

When required to have security personnel that have been trained, equipped, and qualified to perform assigned security job duties in accordance with the criteria in this appendix, the licensee must establish, maintain, and follow a plan that shows how the criteria will be met. The plan must be submitted to the NRC for approval and must be implemented within 30 days after approval by the NRC unless otherwise specified by the NRC in writing.

...

**(d)** Except for a motor vehicle action that results from the same incident or arises out of the same factual circumstances, a motor vehicle action occurring within 3 years of a previous motor vehicle action is grounds for:

(1) Denial of an application for any certificate, rating, or authorization issued under this part for a period of up to 1 year after the date of the last motor vehicle action; or

(2) Suspension or revocation of any certificate, rating, or authorization issued under this part.

**20 C.F.R. 404.1506 – When we will not consider your impairment.**

**(a)** Permanent exclusion of felony-related impairment. In determining whether you are under a disability, we will not consider any physical or mental impairment, or any increase in severity (aggravation) of a preexisting impairment, which arises in connection with your commission of a felony after October 19, 1980, if you are subsequently convicted of this crime. Your subsequent conviction will invalidate any prior determination establishing disability if that determination was based upon any impairment, or aggravation, which we must exclude under this rule.

**(b)** Limited use of impairment arising in prison. In determining whether you are under a disability for purposes of benefit payments, we will not consider any physical or mental impairment, or any increase in severity (aggravation) of a preexisting impairment, which arises in connection with your confinement in a jail, prison, or other penal institution or correctional facility for conviction of a felony committed after October 19, 1980. The exclusion of the impairment, or aggravation, applies in determining disability for benefits payable for any month during which you are confined. This rule does not preclude the establishment of a period of disability based upon the impairment or aggravation. You may become entitled to benefits upon release from prison provided that you apply and are under a disability at the time.

(c) Felonious offenses. We will consider an offense a felony if--

- (1) It is a felony under applicable law; or
- (2) In a jurisdiction which does not classify any crime as a felony, it is an offense punishable by death or imprisonment for a term exceeding one year.

(d) Confinement. In general, a jail, prison, or other penal institution or correctional facility is a facility which is under the control and jurisdiction of the agency in charge of the penal system or in which convicted criminals can be incarcerated. Confinement in such a facility continues as long as you are under a sentence of confinement and have not been released due to parole or pardon. You are considered confined even though you are temporarily or intermittently outside of the facility (e.g., on work release, attending school, or hospitalized).

...

(d) Program administration. Sponsors must ensure that all officers, employees, representatives, agents, and volunteers acting on their behalf:

- (1) Are adequately trained and supervised and that any such person in direct personal contact with exchange students has been vetted through a criminal background check;

...

(j) Host family selection. Sponsors must adequately screen and select all potential host families and at a minimum must:

...

- (7) Verify that each member of the host family household eighteen years of age and older has undergone a criminal background check; and
- (8) Maintain a record of all documentation, including but not limited to application forms, background checks, evaluations, and interviews, for all selected host families for a period of three years.

...

**22 C.F.R. 62.31 – Au pairs.**

(a) Introduction. This section governs Department of State-designated exchange visitor programs under which foreign nationals are afforded the opportunity to live with an American host family and participate directly in the home life of the host family. All au pair participants provide child care services to the host family and attend a U.S. post-secondary educational institution. Au pair participants provide up to forty-five hours of child care services per week and pursue not less than six semester hours of academic credit or its equivalent during their year of program participation. Au pairs participating in the EduCare program provide up to thirty hours of child care services per week and pursue not less than twelve semester hours of academic credit or its equivalent during their year of program participation.

...

(h) Host family selection. Sponsors shall adequately screen all potential host families and at a minimum shall:

...

(4) Require that host parents and other adults living full-time in the household have successfully passed a background investigation including employment and personal character references;

...

**24 C.F.R. 982.553 – Denial of admission and termination of assistance for criminals and alcohol abusers.**

(a) Denial of admission.

(1) Prohibiting admission of drug criminals.

(i) The PHA must prohibit admission to the program of an applicant for three years from the date of eviction if a household member has been evicted from federally assisted housing for drug-related criminal activity. However, the PHA may admit the household if the PHA determines:

(A) That the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the PHA; or

(B) That the circumstances leading to eviction no longer exist (for example, the criminal household member has died or is imprisoned).

(ii) The PHA must establish standards that prohibit admission if:

(A) The PHA determines that any household member is currently engaging in illegal use of a drug;

- (B) The PHA determines that it has reasonable cause to believe that a household member's illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents; or
- (C) Any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

(2) Prohibiting admission of other criminals—

(i) Mandatory prohibition. The PHA must establish standards that prohibit admission to the program if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. In this screening of applicants, the PHA must perform criminal history background checks necessary to determine whether any household member is subject to a lifetime sex offender registration requirement in the State where the housing is located and in other States where the household members are known to have resided.

(ii) Permissive prohibitions.

(A) The PHA may prohibit admission of a household to the program if the PHA determines that any household member is currently engaged in, or has engaged in during a reasonable time before the admission:

- (1) Drug-related criminal activity;
- (2) Violent criminal activity;
- (3) Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or
- (4) Other criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the PHA (including a PHA employee or a PHA contractor, subcontractor or agent).

(B) The PHA may establish a period before the admission decision during which an applicant must not to have engaged in the activities specified in paragraph (a)(2)(i) of this section (“reasonable time”).

(C) If the PHA previously denied admission to an applicant because a member of the household engaged in criminal activity, the PHA may reconsider the applicant if the PHA has sufficient evidence that the members of the household are not currently engaged in, and have not engaged in, such criminal activity during a reasonable period, as determined by the PHA, before the admission decision.

(1) The PHA would have “sufficient evidence” if the household member submitted a certification that she or he is not currently engaged in and has not engaged in such criminal activity during the specified period and provided supporting information from such sources as a probation officer, a landlord, neighbors, social service agency workers and criminal records, which the PHA verified.

(2) For purposes of this section, a household member is “currently engaged in” criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

(3) Prohibiting admission of alcohol abusers. The PHA must establish standards that prohibit admission to the program if the PHA determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

**(b) Terminating assistance—**

(1) Terminating assistance for drug criminals.

(i) The PHA must establish standards that allow the PHA to terminate assistance for a family under the program if the PHA determines that:

(A) Any household member is currently engaged in any illegal use of a drug; or

(B) A pattern of illegal use of a drug by any household member interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

(ii) The PHA must immediately terminate assistance for a family under the program if the PHA determines that any member of the household has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

(iii) The PHA must establish standards that allow the PHA to terminate assistance under the program for a family if the PHA determines that any family member has violated the family's obligation under § 982.551 not to engage in any drug-related criminal activity.

(2) Terminating assistance for other criminals. The PHA must establish standards that allow the PHA to terminate assistance under the program for a family if the PHA determines that any household member has violated the family's obligation under § 982.551 not to engage in violent criminal activity.

(3) Terminating assistance for alcohol abusers. The PHA must establish standards that allow termination of assistance for a family if the PHA determines that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

**(c) Evidence of criminal activity.** The PHA may terminate assistance for criminal activity by a household member as authorized in this section if the PHA determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted for such activity.

**(d) Use of criminal record.—**

(1) Denial. If a PHA proposes to deny admission for criminal activity as shown by a criminal record, the PHA must provide the subject of the record and the applicant with a copy of the criminal record. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance

with § 982.554. (See part 5, subpart J for provision concerning access to criminal records.)

(2) Termination of assistance. If a PHA proposes to terminate assistance for criminal activity as shown by a criminal record, the PHA must notify the household of the proposed action to be based on the information and must provide the subject of the record and the tenant with a copy of the criminal record. The PHA must give the family an opportunity to dispute the accuracy and relevance of that record in accordance with § 982.555.

(3) Cost of obtaining criminal record. The PHA may not pass along to the tenant the costs of a criminal records check.

### **28 C.F.R. 97.11 – Pre-employment screening.**

Private prisoner transport companies must adopt pre-employment screening measures for all potential employees. The pre-employment screening measures must include a background check and a test for use of controlled substances. The failure of a potential employee to pass either screening measure will act as a bar to employment.

**(a)** Background checks must include:

(1) A fingerprint-based criminal background check that disqualifies persons with either a prior felony conviction or a State or Federal conviction for a misdemeanor crime of domestic violence as defined in 18 U.S.C. 921;

(2) A Credit Report check;

(3) A physical examination; and

(4) A personal interview.

**(b)** Testing for controlled substances.

(1) Pre-employment testing for controlled substances must be in accordance with applicable State law.

(2) In the event that there is no applicable State law, pre-employment testing for controlled substances must be in accordance with the provisions of Department of Transportation regulations at 49 CFR 382.301 which will apply regardless of whether a private prisoner transport company is covered by Department of Transportation regulations.

**(c)** The criminal background check references in paragraph (a)(1) of this section may not be submitted directly to the FBI or any other Federal agency. The private prisoner transport companies must arrange the procedures for accomplishing the criminal

background checks with their contracting governmental agencies. In the event that the private prisoner transport company is contracting with a privately run incarceration facility, and not directly with a governmental entity, the private prisoner transport company will have to make arrangements through the private incarceration facility to have the checks completed by the governmental entity ultimately requesting the transport.

**28 C.F.R. 105.23 – Procedure for requesting criminal history record check**

These procedures only apply to participating states. An authorized employer may obtain a State and national criminal history record check as authorized by section 6402 of Public Law 105-458 as follows:

(a) An authorized employer is required to execute a certification to the State, developed by the SIB or the relevant state agency for purposes of accepting requests for these background checks, declaring that it is an authorized employer that employs private security officers; that all fingerprints and requests for criminal history background checks are being submitted for private security officers; that it will use the information obtained as a result of the state and national criminal history record checks solely for the purpose of screening its private security officers; and that it will abide by other regulatory obligations. To help ensure that only legitimate use is made of this authority, the certification shall be executed under penalties of perjury, false statement, or other applicable state laws.

(b) An authorized employer must obtain a set of fingerprints and the written consent of its employee to submit those prints for a state and national criminal history record check. An authorized employer must submit the fingerprints and appropriate state and federal fees to the SIB in the manner specified by the SIB.

(c) Upon receipt of an employee's fingerprints, the SIB shall perform a fingerprint-based search of its criminal records. If no relevant criminal record is found, the SIB shall submit the fingerprints to the FBI for a national search.

(d) Upon the conclusion of the national search, the FBI will disseminate the results to the SIB.

(e) Based upon the results of the state check and, if necessary, the national check:

(1) If the State has standards for qualifying a private security officer, the SIB or other designated state agency shall apply those standards to the CHRI and notify the authorized employer of the results of the application of the state standards; or

(2) If the State does not have standards for qualifying a private security officer, the SIB or other designated state agency shall notify an authorized employer as to the fact of whether an applicant has been:

(i) Convicted of a felony;

(ii) Convicted of a lesser offense involving dishonesty or false statement if occurring

within the previous ten years;

(iii) Convicted of a lesser offense involving the use or attempted use of physical force against the person of another if occurring within the previous ten years; or

(iv) Charged with a felony during the previous 365 days for which there has been no resolution.

(f) The limitation periods set forth in paragraph (e)(2) of this section shall be determined using the date the employee's fingerprints were submitted. An employee shall be considered charged with a criminal felony for which there has been no resolution during the preceding 365 days if the individual is the subject of a complaint, indictment, or information, issued within 365 days of the date that the fingerprints were taken, for a crime punishable by imprisonment for more than one year. The effect of various forms of post-conviction relief shall be determined by the law of the convicting jurisdiction.

### **28 C.F.R. 105.24 – Employee's rights.**

An employee is entitled to:

(a) Obtain a copy from the authorized employer of any information concerning the employee provided under these regulations to the authorized employer by the participating State;

(b) Determine the status of his or her CHRI by contacting the SIB or other state agency providing information to the authorized employer; and

(c) Challenge the CHRI by contacting the agency originating the record or complying with the procedures contained in 28 CFR 16.34.

### **32 C.F.R. Pt. 86, App. B**

#### **Appendix B to Part 86--Criteria For Criminal History Background Check Disqualification**

The ultimate decision to determine how to use information obtained from the criminal history background checks in selection for positions involving the care, treatment, supervision, or education of children must incorporate a common sense decision based upon all known facts. Adverse information is evaluated by the DoD Component Head or designee who is qualified at the appropriate level of command in interpreting criminal history background checks. All information of record both favorable and unfavorable will be assessed in terms of its relevance, recentness, and seriousness. Likewise, positive mitigating factors should be considered. Final suitability decisions shall be made by that commander or designee. Criteria that will result in disqualification of an applicant require careful screening of the data and include, but are not limited to, the following:

#### **A. Mandatory Disqualifying Criteria**

Any conviction for a sexual offense, a drug felony, a violent crime, or a criminal offense involving a child or children.

#### B. Discretionary Criteria

1. Acts that may tend to indicate poor judgment, unreliability, or untrustworthiness in working with children.
2. Any behavior; illness; or mental, physical, or emotional condition that in the opinion of a competent medical authority may cause a defect in judgment or reliability.
3. Offenses involving assault, battery, or other abuse of a victim, regardless of age of the victim.
4. Evidence or documentation of substance abuse dependency.
5. Illegal or improper use, possession, or addiction to any controlled or psychoactive substances, narcotic, cannabis, or other dangerous drug.
6. Sexual acts, conduct, or behavior that, because of the circumstances in which they occur, may indicate untrustworthiness, unreliability, lack of judgment, or irresponsibility in working with children.
7. A wide range of offenses such as arson, homicide, robbery, fraud, or any offense involving possession or use of a firearm.
8. Evidence that the individual is a fugitive from justice.
9. Evidence that the individual is an illegal alien who is not entitled to accept gainful employment for a position.
10. A finding of negligence in a mishap causing death or serious injury to a child or dependent person entrusted to their care.

#### C. Suitability Considerations

In making a determination of suitability, the evaluator shall consider the following additional factors to the extent that these examples are considered pertinent to the individual case:

1. The kind of position for which the individual is applying or employed.
2. The nature and seriousness of the conduct.
3. The recentness of the conduct.

4. The age of the individual at the time of the conduct.
5. The circumstances surrounding the conduct.
6. Contributing social or environmental conditions.
7. The absence or presence of rehabilitation or efforts toward rehabilitation.
8. The nexus of the arrests in regard to the job to be performed.

#### D. Questions

1. All applications, for each of the categories of individuals identified in § 86.3, will include the following questions: “Have you ever been arrested for or charged with a crime involving a child? Have you ever been asked to resign because of or been decertified for a sexual offense? And, if so, “provide a description of the case disposition.” For FCC, foster care, and respite care providers, this question is asked of the applicant regarding all adults, and all children 12 years and older, who reside in the household.
2. All applications shall state that the form is being signed under penalty of perjury. In addition, a false statement rendered by an employee may result in adverse action up to and including removal from Federal service.
3. Evaluation of criminal history background checks is made and monitored by qualified personnel at the appropriate level designated by the Component. Final suitability decisions are made by the designee.

#### **42 C.F.R. 418.114 – Condition of participation: Personnel qualifications.**

(a) General qualification requirements. Except as specified in paragraph (c) of this section, all professionals who furnish services directly, under an individual contract, or under arrangements with a hospice, must be legally authorized (licensed, certified or registered) in accordance with applicable Federal, State and local laws, and must act only within the scope of his or her State license, or State certification, or registration. All personnel qualifications must be kept current at all times.

...

(d) Standard: Criminal background checks.

- (1) The hospice must obtain a criminal background check on all hospice employees who have direct patient contact or access to patient records. Hospice contracts must

require that all contracted entities obtain criminal background checks on contracted employees who have direct patient contact or access to patient records.

(2) Criminal background checks must be obtained in accordance with State requirements. In the absence of State requirements, criminal background checks must be obtained within three months of the date of employment for all states that the individual has lived or worked in the past 3 years.

**45 C.F.R. 2522.205 – To whom must I apply suitability criteria relating to criminal history?**

You must apply suitability criteria relating to criminal history to a participant or staff position for which an individual receives a Corporation grant-funded living allowance, stipend, education award, salary, or other remuneration, and which involves recurring access to children, persons age 60 and older, or individuals with disabilities.

**45 C.F.R. 2522.206 – What suitability criteria must I apply to a covered position?**

Any individual who is registered, or required to be registered, on a State sex offender registry is deemed unsuitable for, and may not serve in, a covered position.

**45 C.F.R. 2522.230 – Under what circumstances may AmeriCorps participants be released from completing a term of service, and what are the consequences?**

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances as demonstrated by the participant, or for cause.

...

(b) Release for cause.

(1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps\*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(6) An individual's eligibility for a second term of service in AmeriCorps will not be affected by release for cause from a prior term of service so long as the individual received a satisfactory end-of-term performance review as described in § 2522.240(d)(2) for the period served in the first term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the two terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

**(c) Suspended service.**

(1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

**(d) Reinstatement.**

(1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

(e) Release prior to serving 15 percent of a term of service. If a participant is released for reasons other than misconduct prior to completing 15 percent of a term of service, the term will not be considered one of the two terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

**45 C.F.R. 2540.200 – To whom must I apply suitability criteria relating to criminal history?**

You must apply suitability criteria relating to criminal history to an individual applying for, or serving in, a position for which an individual receives a Corporation grant-funded living allowance, stipend, education award, salary, or other remuneration, and which involves recurring access to children, persons age 60 and older, or individuals with disabilities.

**45 C.F.R. 2540.201 – What suitability criteria must I apply to a covered position?**

Any individual who is registered, or required to be registered, on a State sex offender registry is deemed unsuitable for, and may not serve in, a position covered by suitability criteria.

**45 C.F.R. 2540.202 – What two search components of the National Service Criminal History Check must I satisfy to determine an individual’s suitability to serve in a covered position?**

Unless the Corporation approves an alternative screening protocol, in determining an individual’s suitability to serve in a covered position, you are responsible for conducting and documenting a National Service Criminal History Check, which consists of the following two search components:

(a) State criminal registry search. A search (by name or fingerprint) of the State criminal registry for the State in which your program operates and the State in which the individual resides at the time of application; and

(b) National Sex Offender Public Registry. A name-based search of the Department of Justice (DOJ) National Sex Offender Public Registry (NSOPR).

**45 C.F.R. 2540.203 – When must I conduct a State criminal registry check and a NSOPR check on an individual in a covered position?**

(a) The State criminal registry check must be conducted on an individual who enrolls in, or is hired by, your program after November 23, 2007.

(b) The NSOPR check must be conducted on an individual who is serving, or applies to serve, in a covered position on or after November 23, 2007.

(c) For an individual who serves consecutive terms of service in your program with a break in service of no more than 30 days, no additional check is required after the first term.

**45 C.F.R. 2540.204 – What procedures must I follow in conducting a National Service Criminal History Check for a covered position?**

You are responsible for following these procedures:

- (a) Verify the individual's identity by examining the individual's government-issued photo identification card, such as a driver's license;
- (b) Obtain prior, written authorization for the State criminal registry check and the appropriate sharing of the results of that check within the program from the individual (but not for the NSOPR check);
- (c) Document the individual's understanding that selection into the program is contingent upon the organization's review of the individual's criminal history, if any;
- (d) Provide a reasonable opportunity for the individual to review and challenge the factual accuracy of a result before action is taken to exclude the individual from the position;
- (e) Provide safeguards to ensure the confidentiality of any information relating to the criminal history check, consistent with authorization provided by the applicant; and
- (f) Ensure that an individual, for whom the results of a required State criminal registry check are pending, is not permitted to have access to children, persons age 60 and older, or individuals with disabilities without being accompanied by an authorized program representative who has previously been cleared for such access.

**46 C.F.R. 12.02-4 – Basis for denial of a merchant mariner's document.**

(a) No person who has been convicted by a court of record of a violation of the dangerous-drug laws of the United States, the District of Columbia, any State, territory, or possession of the United States, a foreign country, or any military court, is eligible for a merchant mariner's document, except as provided by paragraph (c) of this section. No person who has ever been the user of a dangerous drug, addicted or not, or has ever been convicted of an NDR offense described in section 205 of the National Driver Register Act of 1982, as amended (49 U.S.C. 30304) because of addiction to or abuse of alcohol is eligible for a merchant mariner's document, unless he or she furnishes satisfactory evidence of suitability for service in the merchant marine as provided in paragraph (e) of this section.

(b) An applicant who fails a chemical test for dangerous drugs required by § 12.02-9 will

not be issued a merchant mariner's document.

(c) Criminal Record Review and Safety and Security Check. The Coast Guard may conduct a criminal record review and conduct a safety and security check of an applicant for a merchant mariner's document. An applicant pursuing simultaneous transactions for merchant mariner's credentials shall undergo a single criminal record review and safety and security check. Each applicant must provide written disclosure of all prior convictions (as defined in § 12.01-6) at the time of application.

(1) When a criminal record review and a safety and security check are conducted, the applicant shall provide fingerprints in a form and manner specified by the Coast Guard.

(i) When a criminal record review or a safety and security check leads the Coast Guard to determine that an applicant is not a safe and suitable person (as defined in § 12.01-6) or cannot be entrusted with the duties and responsibilities of the merchant mariner's document for which application is made, the application may be disapproved.

(ii) If an application is disapproved, the applicant will be notified in writing of the fact, and, except as provided by this paragraph, the reason or reasons for disapproval and advised that the appeal procedures in § 1.03 of this chapter apply. No examination will be given pending decision on appeal. The applicant will be notified in writing of the reason or reasons for disapproval, unless the Coast Guard determines that such disclosure of information is prohibited by law, regulation, or agency policy, in which case the reason(s) will not be disclosed.

(2) The Officer in Charge, Marine Inspection will use table 12.02-4(c) to evaluate applicants for merchant mariner's documents who have criminal convictions. The table lists major categories of criminal activity and is not to be construed as an all-inclusive list. If an applicant is convicted of an offense that does not appear on the list, the Officer in Charge, Marine Inspection will establish an appropriate assessment period using the list as a guide. The assessment period commences when an applicant is no longer incarcerated. The applicant must establish proof of the time incarcerated and periods of probation and parole to the satisfaction of the Officer in Charge, Marine Inspection. The assessment period may include supervised or unsupervised probation or parole. A conviction for a drug offense more than 10 years prior to the date of application will not alone be grounds for denial.

(3) When an applicant has convictions for more than one offense, the minimum assessment period will be the longest minimum in table 12.02-4(c) and table 12.02-4(d) based upon the applicant's convictions; the maximum assessment period will be the longest shown in table 12.02-4(c) and table 12.02-4(d) based upon the applicant's convictions.

(4) If a person with a criminal conviction applies for a merchant mariner's document before the minimum assessment period shown in table 12.02-4(c), or established by the Officer in Charge, Marine Inspection under paragraph (c)(2) of this section has elapsed, then the applicant must provide, as part of the application package, evidence of suitability for service in the merchant marine. Factors which are evidence of suitability

for service in the merchant marine are listed in paragraph (e) of this section. The Officer in Charge, Marine Inspection will consider the applicant's evidence submitted with the application and may issue the merchant mariner's document in less than the listed minimum assessment period if the Officer in Charge, Marine Inspection is satisfied that the applicant is suitable to hold the merchant mariner's document for which he or she has applied. If an application filed before the minimum assessment period has elapsed does not include evidence of suitability for service in the merchant marine, then the application will be considered incomplete and will not be processed by the Officer in Charge, Marine Inspection until the applicant provides the necessary evidence as set forth in paragraph (e) of this section.

(5) If a person with a criminal conviction applies for a merchant mariner's document during the time between the minimum and maximum assessment periods shown in table 12.02-4(c) or established by the Officer in Charge, Marine Inspection under paragraph (c)(2) of this section, then the Officer in Charge, Marine Inspection shall consider the conviction and, unless there are offsetting factors, shall grant the applicant the merchant mariner's document for which he or she has applied. Offsetting factors include such factors as multiple convictions, failure to comply with court orders (e.g., child support orders), previous failures at rehabilitation or reform, inability to maintain steady employment, or any connection between the crime and the safe operation of a vessel. If the Officer in Charge, Marine Inspection considers the applicant unsuitable for service in the merchant marine at the time of application, the Officer in Charge, Marine Inspection may disapprove the application.

(6) If a person with a criminal conviction applies for a merchant mariner's document after the maximum assessment period shown in table 12.02-4(c) or established by the Officer in Charge, Marine Inspection under paragraph (c)(2) of this section, has elapsed, then the Officer in Charge, Marine Inspection will grant the applicant the merchant mariner's document for which he or she has applied unless the Officer in Charge, Marine Inspection considers the applicant still unsuitable for service in the merchant marine. If the Officer in Charge, Marine Inspection disapproves an applicant with a conviction older than the maximum assessment period listed in table 12.02-4(c), the Officer in Charge, Marine Inspection will notify the applicant in writing of the reason(s) for the disapproval including the Officer in Charge, Marine Inspection's reason(s) for considering a conviction older than the maximum assessment period listed in table 12.02-4(c). The Officer in Charge, Marine Inspection will also inform the applicant, in writing, that the reconsideration and appeal procedures contained in § 1.03 of this chapter apply.

<sup>[FN1]</sup> Conviction of attempts, solicitations, aiding and abetting, accessory after the fact, and conspiracies to commit the criminal conduct listed in this table carry the same minimum and maximum assessment periods provided in the table.

<sup>[FN2]</sup> Other crimes are to be reviewed by the Officer in Charge, Marine Inspection to determine the minimum and maximum assessment periods depending on the nature of the crime.

<sup>[FN3]</sup> Applicable to original applications only. Any applicant who has ever been the user of, or addicted to the use of, a dangerous drug shall meet the requirements of paragraph (a) of this section. Note: Applicants for reissue of a merchant mariner's document with a new expiration date including a renewal or additional endorsement(s), who have been convicted of a dangerous drug offense while holding a merchant mariner's document, may have their application withheld until appropriate action has been completed by the Officer in Charge, Marine Inspection under the regulations which appear in 46 CFR part 5 governing the administrative actions against merchant mariner credentials.

<sup>[FN4]</sup> The OCMI may consider dangerous drug convictions more than 10 years old only if there has been a dangerous drug conviction within the past 10 years.

<sup>[FN5]</sup> Applicants must demonstrate rehabilitation under paragraph (e) of this section, including applicants with dangerous drug use convictions more than ten years old.

<sup>[FN6]</sup> Other dangerous drug convictions are to be reviewed by the Officer in Charge, Marine Inspection on a case by case basis to determine the appropriate assessment period depending on the nature of the offense.

(d) National Driver Register. A merchant mariner’s document will not be issued or reissued with a new expiration date unless the applicant consents to a check of the NDR for offenses described in section 205(a)(3)(A) or (B) of the NDR Act (i.e., operation of a motor vehicle while under the influence of, or impaired by, alcohol or a controlled substance; and any traffic violations arising in connection with a fatal traffic accident, reckless driving, or racing on the highways). The Officer in Charge, Marine Inspection will not consider NDR listed civil convictions that are more than 3 years old from the date of request unless that information relates to the current suspension or revocation of the applicant’s license to operate a motor vehicle. The Officer in Charge Marine Inspection may determine minimum and maximum assessment periods for NDR listed criminal convictions using table 12.02-4(c). An applicant conducting simultaneous merchant mariner’s credential transactions is subject to only one NDR check.

(1) Any application may be disapproved if information from the NDR check leads the Officer in Charge, Marine Inspection to determine that the applicant cannot be entrusted with the duties and responsibilities of the merchant mariner’s document for which the application is made. If an application is disapproved, the Officer in Charge, Marine Inspection will notify the applicant in writing of the reason(s) for disapproval and advise the applicant that the appeal procedures in § 1.03 of this chapter apply. No examination will be given or merchant mariner’s document issued pending decision on appeal.

(2) Prior to disapproving an application because of information received from the NDR, the Officer in Charge, Marine Inspection will make the information available to the applicant for review and written comment. The applicant may submit reports from the applicable State concerning driving record and convictions to the Coast Guard Regional Examination Center (REC) processing the application. The REC will hold an application with NDR listed convictions pending the completion of the evaluation and delivery by the individual of the underlying State records.

(3) The guidelines in table 12.02-4(d) will be used by the Officer in Charge, Marine Inspection when evaluating applicants for merchant mariner’s documents who have drug or alcohol related NDR listed convictions. Non-drug or alcohol related NDR listed convictions will be evaluated by the Officer in Charge, Marine Inspection under table 12.02-4(c) as applicable.

This list is intended as a guideline. The Officer in Charge, Marine Inspection may consider other factors which he or she judges appropriate, such as:

- (1) Proof of completion of an accredited alcohol- or drug-abuse rehabilitation program.
- (2) Active membership in a rehabilitation or counseling group, such as Alcoholics or Narcotics Anonymous.

FEDERAL COMMUNICATIONS COMMISSION  
47 CFR Part 1  
[FCC 90-195]

Practice and Procedure: Broadcast Licensing Proceedings, Misconduct; Policy  
Statement

Wednesday, June 6, 1990

AGENCY: Federal Communications Commission.

ACTION: Policy statement and final rule.

SUMMARY: The Commission's policies concerning the range of relevant non-FCC related misconduct in broadcast licensing proceedings are modified to reflect the fact that the Commission will consider any felony convictions as bearing on a broadcast applicant or licensee's character qualifications. The Commission will also consider adverse adjudications of antitrust or anticompetitive misconduct relating to any media of mass communications, as defined in 47 U.S.C. 309(i). The FCC also adopted new rules prohibiting any applicant, permittee or licensee from making any written misrepresentation or willful material omission bearing on any matter within the jurisdiction of the Commission (47 CFR 1.17) and requiring broadcast licensees and permittees to report adverse determinations of relevant misconduct that are finally adjudicated during the term of their permit or license (47 CFR 1.65(c)).

EFFECTIVE DATE: The Policy Statement is effective June 6, 1990; 47 CFR 1.17 will be effective 30 days after publication in the Federal Register; 47 CFR 1.65(c) will be effective 90 days after publication in the Federal Register.

ADDRESSES: Federal Communications Commission, 1919 M Street NW., Washington, DC 20554.

#### Summary of Policy Statement and Order

1. The Commission is modifying its policies regarding character qualifications previously enunciated in Policy Regarding Character Qualifications in Broadcast Licensing, 102 FCC 2d 1179 (1986), recon. granted in part, denied in part, 1 FCC Rcd 421 (1986), appeal dismissed sub nom. National Association for Better Broadcasting v. FCC, No. 86-1179 (DC Cir. June 11, 1987) (hereinafter referred to as Character Policy Statement). We are also amending our rules to make the provisions of 47 CFR 73.1015 regarding misrepresentation applicable to all applications and/or statements filed with the Commission, and we are adding a new § 1.65(c) requiring broadcast licensees to report adjudications relevant to character qualifications that are issued during the license term.

2. The Character Policy Statement generally indicated that, in connection with non-FCC related misconduct, the Commission would consider only adjudicated (a) Fraudulent representations to governmental units, (b) criminal misconduct involving false statements or dishonesty, and (c) broadcast-related violations of antitrust or other laws dealing with competition. 102 FCC 2d at 1195- 1197, 1200-1203. However, upon further reflection,

we believe a propensity to comply with the law generally is relevant to the Commission's public interest analysis, and that an applicant's or licensee's willingness to violate other laws, and, in particular, to commit felonies, also bears on our confidence that an applicant or licensee will conform to FCC rules and policies.

3. Thus, evidence of any conviction for misconduct constituting a felony will be relevant to our evaluation of an applicant's or licensee's character. Because all felonies are serious crimes, any felony conviction provides an indication of an applicant's or licensee's propensity to obey the law. [FN1] While conviction for a felony raises questions of whether an applicant or licensee has the requisite propensity to obey the law, we continue to believe that there are mitigating factors that must be taken into consideration in our deliberations. See Character Policy Statement, 102 FCC 2d at 1227-29; see also RKO General, Inc., 5 FCC Rcd 642, 644 (1990).

FN1 Moreover, we retain the discretion to consider serious misdemeanor convictions in appropriate or compelling cases, particularly where there is a pattern of such convictions.

4. Moreover, because of the interrelationship of the mass media, we see no reason to limit our focus to broadcast related violations of laws relating to antitrust or anticompetitive misconduct. We therefore believe that adjudicated violations of antitrust or anticompetitive laws involving any media of mass communications, as defined in 47 U.S.C. 309(i), also are relevant to our licensing decisions.

5. We continue to believe that it is appropriate to refrain from making licensing decisions based on mere allegations of relevant non-FCC misconduct, even where those allegations have resulted in an indictment or are otherwise in process of being adjudicated by another agency or court. Character Policy Statement, 102 FCC 2d at 1204-05. [FN2] However, where such matters remain pending in another forum we may, in appropriate cases, condition any grant of the application before us on the outcome of that proceeding. See *Id.* at 1206 n.66.

FN2 However, we also continue to believe that, where an applicant has allegedly engaged in nonbroadcast misconduct, "so egregious as to shock the conscience and evoke almost universal disapprobation," such conduct "might be a matter of Commission concern even prior to adjudication by another body." Character Policy Statement, 102 FCC 2d at 1205, n.60.

6. Generally, we do not intend to change our policies regarding the case-by-case determination of whether an existing licensee, designated for hearing on character issues with respect to one license, may buy or sell other licenses or have other authorizations renewed. See Character Policy Statement, 102 FCC 2d at 1223-25; Transferability of Broadcast Licenses, 53 RR 2d 126 (1983). We wish to make clear, however, that, in appropriate cases, the Commission may condition the grant of any application involving a licensee that has been designated for hearing on character issues. If the decision in the hearing is adverse to the licensee, we will revisit any such conditioned grants to determine whether we would have made the grant if the adverse hearing determination

had been before us.

**49 C.F.R. 240.115 – Criteria for consideration of prior safety conduct as a motor vehicle operator.**

(a) Each railroad's program shall include criteria and procedures for implementing this section.

(b) When evaluating a person's motor vehicle driving record, a railroad shall not consider information concerning motor vehicle driving incidents that occurred more than 36 months before the month in which the railroad is making its certification decision and shall only consider information concerning the following types of motor vehicle incidents:

(1) A conviction for, or completed state action to cancel, revoke, suspend, or deny a motor vehicle drivers license for, operating a motor vehicle while under the influence of or impaired by alcohol or a controlled substance;

(2) A conviction for, or completed state action to cancel, revoke, suspend, or deny a motor vehicle driver's license for, refusal to undergo such testing as is required by State law when a law enforcement official seeks to determine whether a person is operating a vehicle while under the influence of alcohol or a controlled substance.

(c) If such an incident is identified,

(1) The railroad shall provide the data to the railroad's EAP Counselor, together with any information concerning the person's railroad service record, and shall refer the person for evaluation to determine if the person has an active substance abuse disorder;

(2) The person shall cooperate in the evaluation and shall provide any requested records of prior counseling or treatment for review exclusively by the EAP Counselor in the context of such evaluation; and

(3) If the person is evaluated as not currently affected by an active substance abuse disorder, the subject data shall not be considered further with respect to certification. However, the railroad shall, on recommendation of the EAP Counselor, condition certification upon participation in any needed aftercare and/or follow-up testing for alcohol or drugs deemed necessary by the EAP Counselor consistent with the technical standards specified in § 240.119(d)(3) of this part.

(4) If the person is evaluated as currently affected by an active substance abuse disorder, the person shall not be currently certified and the provisions of § 240.119(b) will apply.

**49 C.F.R. 240.119 – Criteria for consideration of data on substance abuse disorders and alcohol drug rules compliance.**

(a) Each railroad's program shall include criteria and procedures for implementing this

section.

**(b) Fitness requirement.**

(1) A person who has an active substance abuse disorder shall not be currently certified as a locomotive engineer.

(2) Except as provided in paragraph (e) of this section, a certified engineer who is determined to have an active substance abuse disorder shall be suspended from certification. Consistent with other provisions of this part, certification may be reinstated as provided in paragraph (d) of this section.

(3) In the case of a current employee of the railroad evaluated as having an active substance abuse disorder (including a person identified under the procedures of § 240.115), the employee may, if otherwise eligible, voluntarily self-refer for substance abuse counseling or treatment under the policy required by § 219.403 of this chapter; and the railroad shall then treat the substance abuse evaluation as confidential except with respect to current ineligibility for certification.

...

**(d) Future eligibility to hold certificate following alcohol/drug violation.** The following requirements apply to a person who has been denied certification or who has had certification suspended or revoked as a result of conduct described in paragraph (c) of this section:

(1) The person shall not be eligible for grant or reinstatement of the certificate unless and until the person has—

- (i) Been evaluated by an EAP Counselor to determine if the person currently has an active substance abuse disorder;
- (ii) Successfully completed any program of counseling or treatment determined to be necessary by the EAP Counselor prior to return to service; and
- (iii) Presented a urine sample for testing under Subpart H of this part that tested negative for controlled substances assayed and has tested negative for alcohol under paragraph (d)(4) of this section.

(2) An engineer placed in service or returned to service under the above-stated conditions shall continue in any program of counseling or treatment deemed necessary by the EAP Counselor and shall be subject to a reasonable program of follow-up alcohol and drug testing without prior notice for a period of not more than 60 months following return to service. Follow-up tests shall include not fewer than 6 alcohol tests and 6 drug tests during the first 12 months following return to service.

(3) Return-to-service and follow-up alcohol and drug tests shall be performed consistent with the requirements of subpart H of part 219 of this chapter.

(4) This paragraph does not create an entitlement to utilize the services of a railroad EAP Counselor, to be afforded leave from employment for counseling or treatment, or to employment as a locomotive engineer. Nor does it restrict any discretion available to the railroad to take disciplinary action based on conduct described herein.

**49 C.F.R. 1515.7 – Procedures for waiver of criminal offenses, immigration status, or mental capacity standards.**

(a) Scope. This section applies to the following applicants:

- (i) An applicant for an HME or TWIC who has a disqualifying criminal offense described in 49 CFR 1572.103(a)(5) through (a)(12) or 1572.103(b) and who requests a waiver.
- (ii) An applicant for an HME or TWIC who is an alien under temporary protected status as described in 49 CFR 1572.105 and who requests a waiver.
- (iii) An applicant applying for an HME or TWIC who lacks mental capacity as described in 49 CFR 1572.109 and who requests a waiver.

(b) Grounds for waiver. TSA may issue a waiver of the standards described in paragraph (a) and grant an HME or TWIC if TSA determines that an applicant does not pose a security threat based on a review of information described in paragraph (c) of this section.

(c) Initiating waiver.

(1) An applicant initiates a waiver as follows:

- (i) Providing to TSA the information required in 49 CFR 1572.9 for an HME or 49 CFR 1572.17 for a TWIC.
- (ii) Paying the fees required in 49 CFR 1572.405 for an HME or in 49 CFR 1572.501 for a TWIC.
- (iii) Sending a written request to TSA for a waiver at any time, but not later than 60 days after the date of service of the Final Determination of Threat Assessment. The applicant may request a waiver during the application process, or may first pursue some or all of the appeal procedures in 49 CFR 1515.5 to assert that he or she does not have a disqualifying condition.

(2) In determining whether to grant a waiver, TSA will consider the following factors, as applicable to the disqualifying condition:

- (i) The circumstances of the disqualifying act or offense.
- (ii) Restitution made by the applicant.
- (iii) Any Federal or State mitigation remedies.
- (iv) Court records or official medical release documents indicating that the applicant no longer lacks mental capacity.

(v) Other factors that indicate the applicant does not pose a security threat warranting denial of the HME or TWIC.

**(d) Grant or denial of waivers.**

(1) The Assistant Administrator will send a written decision granting or denying the waiver to the applicant within 60 days of service of the applicant's request for a waiver, or longer period as TSA may determine for good cause.

(2) In the case of an HME, if the Assistant Administrator grants the waiver, the Assistant Administrator will send a Determination of No Security Threat to the licensing State within 60 days of service of the applicant's request for a waiver, or longer period as TSA may determine for good cause.

(3) In the case of a mariner applying for a TWIC, if the Assistant Administrator grants the waiver, the Assistant Administrator will send a Determination of No Security Threat to the Coast Guard within 60 days of service of the applicant's request for a waiver, or longer period as TSA may determine for good cause.

(4) If the Assistant Administrator denies the waiver the applicant may seek review in accordance with 49 CFR 1515.11. A denial of a waiver under this section does not constitute a final order of TSA as provided in 49 U.S.C. 46110.

**(e) Extension of time.** TSA may grant an applicant an extension of the time limits for good cause shown. An applicant's request for an extension of time must be in writing and be received by TSA within a reasonable time before the due date to be extended; or an applicant may request an extension after the expiration of a due date by sending a written request describing why the failure to file within the time limits was excusable. TSA may grant itself an extension of time for good cause.

**49 C.F.R. 1542.209 – Fingerprint-based criminal history records checks (CHRC).**

**(a) Scope.** The following persons are within the scope of this section—

(1) Each airport operator and airport user.

(2) Each individual currently having unescorted access to a SIDA, and each individual with authority to authorize others to have unescorted access to a SIDA (referred to as unescorted access authority).

(3) Each individual seeking unescorted access authority.

(4) Each airport user and aircraft operator making a certification to an airport operator pursuant to paragraph (n) of this section, or 14 CFR 108.31(n) in effect prior to November 14, 2001 (see 14 CFR Parts 60 to 139 revised as of January 1, 2001). An

airport user, for the purposes of this section only, is any person other than an aircraft operator subject to § 1544.229 of this chapter making a certification under this section.

**(b)** Individuals seeking unescorted access authority. Except as provided in paragraph (m) of this section, each airport operator must ensure that no individual is granted unescorted access authority unless the individual has undergone a fingerprint-based CHRC that does not disclose that he or she has a disqualifying criminal offense, as described in paragraph (d) of this section.

**(c)** Individuals who have not had a CHRC.

(1) Except as provided in paragraph (m) of this section, each airport operator must ensure that after December 6, 2002, no individual retains unescorted access authority, unless the airport operator has obtained and submitted a fingerprint under this part.

(2) When a CHRC discloses a disqualifying criminal offense for which the conviction or finding of not guilty by reason of insanity was on or after December 6, 1991, the airport operator must immediately suspend that individual's authority.

**(d)** Disqualifying criminal offenses. An individual has a disqualifying criminal offense if the individual has been convicted, or found not guilty of by reason of insanity, of any of the disqualifying crimes listed in this paragraph (d) in any jurisdiction during the 10 years before the date of the individual's application for unescorted access authority, or while the individual has unescorted access authority. The disqualifying criminal offenses are as follows—

- (18) Treason.
- (19) Rape or aggravated sexual abuse.
- (20) Unlawful possession, use, sale, distribution, or manufacture of an explosive or weapon.

(28) Conspiracy or attempt to commit any of the criminal acts listed in this paragraph (d).

(e) Fingerprint application and processing.

(1) At the time of fingerprinting, the airport operator must provide the individual to be fingerprinted a fingerprint application that includes only the following—

(i) The disqualifying criminal offenses described in paragraph (d) of this section.

(ii) A statement that the individual signing the application does not have a disqualifying criminal offense.

(iii) A statement informing the individual that Federal regulations under 49 CFR 1542.209 (l) impose a continuing obligation to disclose to the airport operator within 24 hours if he or she is convicted of any disqualifying criminal offense that occurs while he or she has unescorted access authority. After February 17, 2002, the airport operator may use statements that have already been printed referring to 14 CFR 107.209 until stocks of such statements are used up.

(iv) A statement reading, “The information I have provided on this application is true, complete, and correct to the best of my knowledge and belief and is provided in good faith. I understand that a knowing and willful false statement on this application can be punished by fine or imprisonment or both. (See section 1001 of Title 18 United States Code.)”

(v) A line for the printed name of the individual.

(vi) A line for the individual’s signature and date of signature.

(2) Each individual must complete and sign the application prior to submitting his or her fingerprints.

(3) The airport operator must verify the identity of the individual through two forms of identification prior to fingerprinting, and ensure that the printed name on the fingerprint application is legible. At least one of the two forms of identification must have been issued by a government authority, and at least one must include a photo.

(4) The airport operator must advise the individual that:

(i) A copy of the criminal record received from the FBI will be provided to the individual, if requested by the individual in writing; and

(ii) The ASC is the individual’s point of contact if he or she has questions about the results of the CHRC.

(5) The airport operator must collect, control, and process one set of legible and classifiable fingerprints under direct observation of the airport operator or a law enforcement officer.

(6) Fingerprints may be obtained and processed electronically, or recorded on fingerprint cards approved by the FBI and distributed by TSA for that purpose.

(7) The fingerprint submission must be forwarded to TSA in the manner specified by TSA.

...

**(g) Determination of arrest status.**

(1) When a CHRC on an individual seeking unescorted access authority discloses an arrest for any disqualifying criminal offense listed in paragraph (d) of this section without indicating a disposition, the airport operator must determine, after investigation, that the arrest did not result in a disqualifying offense before granting that authority. If there is no disposition, or if the disposition did not result in a conviction or in a finding of not guilty by reason of insanity of one of the offenses listed in paragraph (d) of this section, the individual is not disqualified under this section.

(2) When a CHRC on an individual with unescorted access authority discloses an arrest for any disqualifying criminal offense without indicating a disposition, the airport operator must suspend the individual's unescorted access authority not later than 45 days after obtaining the CHRC unless the airport operator determines, after investigation, that the arrest did not result in a disqualifying criminal offense. If there is no disposition, or if the disposition did not result in a conviction or in a finding of not guilty by reason of insanity of one of the offenses listed in paragraph (d) of this section, the individual is not disqualified under this section.

(3) The airport operator may only make the determinations required in paragraphs (g)(1) and (g)(2) of this section for individuals for whom it is issuing, or has issued, unescorted access authority, and who are not covered by a certification from an aircraft operator under paragraph (n) of this section. The airport operator may not make determinations for individuals described in § 1544.229 of this chapter.

**(h) Correction of FBI records and notification of disqualification.**

(1) Before making a final decision to deny unescorted access authority to an individual described in paragraph (b) of this section, the airport operator must advise him or her that the FBI criminal record discloses information that would disqualify him or her from receiving or retaining unescorted access authority and provide the individual with a copy of the FBI record if he or she requests it.

(2) The airport operator must notify an individual that a final decision has been made to grant or deny unescorted access authority.

(3) Immediately following the suspension of unescorted access authority of an individual, the airport operator must advise him or her that the FBI criminal record discloses information that disqualifies him or her from retaining unescorted access authority and provide the individual with a copy of the FBI record if he or she requests it.

**(i)** Corrective action by the individual. The individual may contact the local jurisdiction responsible for the information and the FBI to complete or correct the information contained in his or her record, subject to the following conditions—

(1) For an individual seeking unescorted access authority on or after December 6, 2001, the following applies:

(i) Within 30 days after being advised that the criminal record received from the FBI discloses a disqualifying criminal offense, the individual must notify the airport operator in writing of his or her intent to correct any information he or she believes to be inaccurate. The airport operator must obtain a copy, or accept a copy from the individual, of the revised FBI record, or a certified true copy of the information from the appropriate court, prior to granting unescorted access authority.

(ii) If no notification, as described in paragraph (h)(1) of this section, is received within 30 days, the airport operator may make a final determination to deny unescorted access authority.

(2) For an individual with unescorted access authority before December 6, 2001, the following applies: Within 30 days after being advised of suspension because the criminal record received from the FBI discloses a disqualifying criminal offense, the individual must notify the airport operator in writing of his or her intent to correct any information he or she believes to be inaccurate. The airport operator must obtain a copy, or accept a copy from the individual, of the revised FBI record, or a certified true copy of the information from the appropriate court, prior to reinstating unescorted access authority.

**(l)** Continuing responsibilities.

(1) Each individual with unescorted access authority on December 6, 2001, who had a disqualifying criminal offense in paragraph (d) of this section on or after December 6, 1991, must, by January 7, 2002, report the conviction to the airport operator and surrender the SIDA access medium to the issuer.

(2) Each individual with unescorted access authority who has a disqualifying criminal offense must report the offense to the airport operator and surrender the SIDA access medium to the issuer within 24 hours of the conviction or the finding of not guilty by reason of insanity.

(3) If information becomes available to the airport operator or the airport user indicating that an individual with unescorted access authority has a disqualifying criminal offense, the airport operator must determine the status of the conviction. If a disqualifying offense is confirmed the airport operator must immediately revoke any unescorted access authority.

**(m)** Exceptions. Notwithstanding the requirements of this section, an airport operator must authorize the following individuals to have unescorted access authority:

(1) An employee of the Federal, state, or local government (including a law enforcement officer) who, as a condition of employment, has been subjected to an employment investigation that includes a criminal records check.

(2) Notwithstanding the requirements of this section, an airport operator may authorize the following individuals to have unescorted access authority:

(i) An individual who has been continuously employed in a position requiring unescorted access authority by another airport operator, airport user, or aircraft operator, or contractor to such an entity, provided the grant for his or her unescorted access authority was based upon a fingerprint-based CHRC through TSA or FAA.

(ii) An individual who has been continuously employed by an aircraft operator or aircraft operator contractor, in a position with authority to perform screening functions, provided the grant for his or her authority to perform screening functions was based upon a fingerprint-based CHRC through TSA or FAA.

(n) Certifications by aircraft operators. An airport operator is in compliance with its obligation under paragraph (b) or (c) of this section when the airport operator accepts, for each individual seeking unescorted access authority, certification from an aircraft operator subject to part 1544 of this chapter indicating it has complied with § 1544.229 of this chapter for the aircraft operator's employees and contractors seeking unescorted access authority. If the airport operator accepts a certification from the aircraft operator, the airport operator may not require the aircraft operator to provide a copy of the CHRC.

#### **49 C.F.R. 1570.3 – Terms used in this subchapter.**

For purposes of this subchapter:

...

Convicted means any plea of guilty or nolo contendere, or any finding of guilt, except when the finding of guilt is subsequently overturned on appeal, pardoned, or expunged. For purposes of this subchapter, a conviction is expunged when the conviction is removed from the individual's criminal history record and there are no legal disabilities or restrictions associated with the expunged conviction, other than the fact that the conviction may be used for sentencing purposes for subsequent convictions. In addition, where an individual is allowed to withdraw an original plea of guilty or nolo contendere and enter a plea of not guilty and the case is subsequently dismissed, the individual is no longer considered to have a conviction for purposes of this subchapter.

#### **49 C.F.R. 1572.103 – Disqualifying criminal offenses.**

  - (ii) the applicant was incarcerated for that crime and released from incarceration within five years of the date of the TWIC application.

(2) The interim disqualifying felonies are:

- (i) Unlawful possession, use, sale, manufacture, purchase, distribution, receipt, transfer, shipping, transporting, delivery, import, export of, or dealing in a firearm or other weapon. A firearm or other weapon includes, but is not limited to, firearms as defined in 18 U.S.C. 921(a)(3) or 26 U.S.C. 5845(a), or items contained on the U.S. Munitions Import List at 27 CFR 447.21.
- (ii) Extortion.
- (iii) Dishonesty, fraud, or misrepresentation, including identity fraud and money laundering where the money laundering is related to a crime described in paragraphs (a) or (b) of this section. - (xv) Conspiracy or attempt to commit the crimes in this paragraph (b).

(c) Under want, warrant, or indictment. An applicant who is wanted, or under indictment in any civilian or military jurisdiction for a felony listed in this section, is disqualified until the want or warrant is released or the indictment is dismissed.

(d) Determination of arrest status.

(1) When a fingerprint-based check discloses an arrest for a disqualifying crime listed in this section without indicating a disposition, TSA will so notify the applicant and provide instructions on how the applicant must clear the disposition, in accordance with paragraph (d)(2) of this section.

(2) The applicant must provide TSA with written proof that the arrest did not result in conviction for the disqualifying criminal offense, within 60 days after the service date

of the notification in paragraph (d)(1) of this section. If TSA does not receive proof in that time, TSA will notify the applicant that he or she is disqualified. In the case of an HME, TSA will notify the State that the applicant is disqualified, and in the case of a mariner applying for TWIC, TSA will notify the Coast Guard that the applicant is disqualified.

**49 C.F.R. 1572.5 – Standards for security threat assessments.**

**(a) Standards.** TSA determines that an applicant poses a security threat warranting denial of an HME or TWIC, if—

- (1) The applicant has a disqualifying criminal offense described in 49 CFR 1572.103;
- (2) The applicant does not meet the immigration status requirements described in 49 CFR 1572.105;
- (3) TSA conducts the analyses described in 49 CFR 1572.107 and determines that the applicant poses a security threat; or
- (4) The applicant has been adjudicated as lacking mental capacity or committed to a mental health facility, as described in 49 CFR 1572.109.

**(b) Immediate Revocation/Invalidation.** TSA may invalidate a TWIC or direct a State to revoke an HME immediately, if TSA determines during the security threat assessment that an applicant poses an immediate threat to transportation security, national security, or of terrorism.

**(c) Violation of FMCSA Standards.** The regulations of the Federal Motor Carrier Safety Administration (FMCSA) provide that an applicant is disqualified from operating a commercial motor vehicle for specified periods, if he or she has an offense that is listed in the FMCSA rules at 49 CFR 383.51. If records indicate that an applicant has committed an offense that would disqualify the applicant from operating a commercial motor vehicle under 49 CFR 383.51, TSA will not issue a Determination of No Security Threat until the State or the FMCSA determine that the applicant is not disqualified under that section.

**(d) Waiver.** In accordance with the requirements of § 1515.7, applicants may apply for a waiver of certain security threat assessment standards.

**(e) Comparability of Other Security Threat Assessment Standards.** TSA may determine that security threat assessments conducted by other governmental agencies are comparable to the threat assessment described in this part, which TSA conducts for HME and TWIC applicants.

- (1) In making a comparability determination, TSA will consider—
  - (i) The minimum standards used for the security threat assessment;
  - (ii) The frequency of the threat assessment;

- (iii) The date of the most recent threat assessment; and
  - (iv) Whether the threat assessment includes biometric identification and a biometric credential.
- (2) To apply for a comparability determination, the agency seeking the determination must contact the Assistant Program Manager, Attn: Federal Agency Comparability Check, Hazmat Threat Assessment Program, Transportation Security Administration, 601 South 12th Street, Arlington, VA 22202-4220.
- (3) TSA will notify the public when a comparability determination is made.
- (4) An applicant, who has completed a security threat assessment that is determined to be comparable under this section to the threat assessment described in this part, must complete the enrollment process and provide biometric information to obtain a TWIC, if the applicant seeks unescorted access to a secure area of a vessel or facility. The applicant must pay the fee listed in 49 CFR 1572.503 for information collection/credential issuance.
- (5) TSA has determined that the security threat assessment for an HME under this part is comparable to the security threat assessment for TWIC.
- (6) TSA has determined that the security threat assessment for a FAST card, under the Free and Secure Trade program administered by U.S. Customs and Border Protection, is comparable to the security threat assessment described in this part.

### Relief from the Collateral Consequences of a Criminal Conviction: A State-By-State Resource Guide

A collection of individual state documents that can be downloaded; includes state law regarding loss of rights due to a felony conviction, process of restoration, pardon/expungement information, and contact information of corresponding agencies. (documents updated as developments warrant)

Author: Margaret Colgate Love

Issue Area(s): [Felony Disenfranchisement](#), [Collateral Consequences](#), [Felony Disenfranchisement](#) : Research

This comprehensive survey describes for each United States jurisdiction the laws and practices relating to restoration of rights and obtaining relief from the collateral disabilities and penalties that accompany a criminal conviction. It is the first-of-its-kind, and it illustrates the extraordinary variety and complexity of state and federal laws that impose a continuing burden on convicted persons long after the court-imposed sentence has been fully discharged. It is an important resource for policymakers interested in offender reentry and reintegration, for practitioners at all levels of the criminal justice system, and for people with a criminal record who are seeking to put their past behind them.

It is essential for government officials to be able to determine the rights and responsibilities of individuals with a criminal conviction, both to ensure compliance with the law and to provide appropriate advice to affected individuals seeking guidance. It is also critically important for individuals with a criminal record to understand their rights, and how they can overcome or mitigate the lingering collateral consequences of their conviction. Finally, it is important for policymakers and citizens to understand the continuing burden that the law places on criminal offenders seeking a fresh start, so that they can make informed decisions about whether particular legislative and policy choices make sense.

The resource guide concludes:

[w]hile every jurisdiction provides at least one way that a criminal offender can avoid or mitigate the collateral penalties and disabilities associated with a conviction, in most jurisdictions this relief mechanism is inaccessible and unreliable. Moreover, applicants for relief cannot expect success upon satisfaction of some clear standard of behavior or accomplishment. As a practical matter, in most jurisdictions people convicted of a crime have no hope of ever being able to fully discharge their debt to society. Notwithstanding our fond national self-image, ours is not a land of second chances, at least as far as the legal system is concerned . . .

[A]s more and more people have a criminal record, relief from the collateral consequences of conviction has never seemed more elusive in most of the states and for federal offenders. It would seem that if rehabilitation of criminal offenders is a desirable social goal, it would be helpful to begin serious discussion of the growing contrary pressures that seem to consign all persons with a criminal record to the margins of society, and to a

permanent outcast status in the eyes of the law.

Below are 54 profiles of the law and practice in each U.S. jurisdiction for download in Adobe Acrobat format. These state guidelines will be included in the appendix of the full resource guide. In addition there is a set of eight tables illustrating the national patterns in restoration practices, as well as comparing policies across jurisdictions.
